As part of the application for an in-person absentee ballot such registered voter shall swear or affirm that the voter has not voted a regular mail absentee ballot and that the voter will not vote at the regular polling place in the election for which the in-person absentee ballot is requested.

B. 1. The voter also shall provide proof of identity as defined in Section 7-114 of this title. If the voter declines to or is unable to produce proof of identity, the voter may sign a statement under oath, in a form approved by the Secretary of the State Election Board, swearing or affirming that the person is the person identified on the precinct registry, and shall be allowed to cast a provisional ballot as provided in Section 7-116.1 of this title.

The voter must mark the ballots of the voter in the manner provided by law in the presence of the absentee voting board, but in such a manner as to make it impossible for any person other than the voter to ascertain how such ballots are marked. Insofar as is possible, the voting procedure shall be the same as if the voter were casting a vote in person at a precinct;

4. The voter shall then deposit the ballot in a voting device designated for in-person absentee voting by the secretary of the county election board;

5. When the in-person polling place is closed on each day of in-person absentee voting the in-person absentee voting board shall, without obtaining a printout of results, remove the vote data pack from the voting device and seal ballots counted that day in a transfer case which shall be secured by the sheriff of the county in the same manner as provided in Section 8-110 of this title. The vote data pack shall be sealed in a container prescribed by the Secretary of the State Election Board. The sheriff shall secure the sealed vote data pack container and return it to the in-person absentee voting board no later than 7:45 a.m. on the next day of in-person absentee voting or to the secretary of the county election board at the time of the county election board meeting to count absentee ballots on election day;

6. The vote data pack or packs used for in-person absentee voting shall be used by the county election board to count absentee ballots on election day as provided in Section 14-125 of this title; and
