Section 13-101.2 A. There is hereby created the Lindsey Nicole Henry Scholarships for Students with Disabilities Program. The Lindsey Nicole Henry Scholarships for Students with Disabilities Program is established to provide a scholarship to a private school
of choice for students with disabilities for whom an individualized education program (IEP) in accordance with the Individuals with Disabilities Education Act (IDEA) has been developed at any time prior to notifying the State Department of Education of the intent to participate in the Program and the IEP is in effect at the time the request for a scholarship is received by the State Department of Education. Scholarships shall be awarded beginning with the 2010-2011 school year.

B. The parent or legal guardian of a public school student with a disability may exercise their parental option and request to have a Lindsey Nicole Henry Scholarship awarded for the child to enroll in and attend a private school in accordance with this section and the scholarship shall be awarded if:

1. The student has spent the prior school year in attendance at a public school in this state. For purposes of this section, "prior school year in attendance" means that the student was enrolled in and reported by a school district for funding purposes during the preceding school year regardless of whether or not the student had an IEP at the time the student was counted for funding purposes. A student who is a child of a member of the United States Armed Forces who transfers to a school in this state from out of state or from a foreign country pursuant to a permanent change of station orders of the parent shall be exempt from the requirements of this paragraph but shall be required to meet all other eligibility requirements to participate as provided for in this section; and

2. The parent or legal guardian has obtained acceptance for admission of the student to a private school that is eligible for the program as provided in subsection H of this section and has notified the State Department of Education of the request for a scholarship no later than December 1 of the school year during which the scholarship is requested. The request shall be through a communication directly to the Department in a manner that creates a written or electronic record of the request and the date of receipt of the request. The Department shall notify the school district upon receipt of the request. For purposes of continuity of educational choice, the scholarship shall remain in force until the student returns to a public school, graduates from high school or reaches the age of twenty-two (22), whichever occurs first. subsection H of this section or place the student in a public school.

C. A student shall be eligible for a scholarship if the parent or legal guardian of the student made a request for a scholarship for the 2010-2011 school year and the student transferred to an eligible private school but was subsequently denied a scholarship because the student did not have an IEP in effect on October 1, 2009, but did meet all other eligibility requirements as set forth in the Lindsey Nicole Henry Scholarships for Students with Disabilities Program Act.

D. A student shall not be eligible for a Lindsey Nicole Henry Scholarship if the student is not having regular and direct contact with the private school teachers at the physical location of the private school.

E. School districts shall notify the parent or legal guardian of a public school student with a disability of all options available pursuant to this section and inform the parent or legal guardian of the availability of information about the program from the State Department of Education through the toll-free telephone number or website. The notification shall be provided with or included in the copy of the “Parents Rights in Special Education: Notice of Procedural Safeguards” document given to parents at least annually or as otherwise required by law.

F. 1. Acceptance of a Lindsey Nicole Henry Scholarship shall have the same effect as a parental refusal to revocation of consent to service pursuant to 20 U.S.C., Section 614(a)(1) Sections 1414(a)(1)(D) and 1414(C) of the IDEA.

2. Upon acceptance of a Lindsey Nicole Henry Scholarship, the parent or legal guardian shall assume full financial responsibility for the education of the student, including but not limited to transportation to and from the private school.

G. If the parent or legal guardian requests a Lindsey Nicole Henry Scholarship and the student is accepted by the private school pending the availability of a space for the student, the parent or legal guardian of the student shall notify the State Department of Education before entering the private school and before December 1 in order to be eligible for the scholarship during the school year when a space becomes available for the student in the private
school. If notification is made after December 1, payment of the scholarship shall not begin until the next school year.

H. To be eligible to participate in the Lindsey Nicole Henry Scholarships for Students with Disabilities Program, a private school shall notify the State Department of Education of its intent to participate. The notice shall specify the grade levels and services that the private school has available for students with disabilities who are participating in the scholarship program.
