As used in this subsection, "break in service" is defined as a period of time in excess of thirty (30) calendar days between two periods of state employment.

G. No salary increase pursuant to this section shall be made that exceeds a salary limitation provided in an agency's annual appropriation bill or that exceeds the recommendations of the 2013 State Employee Total Remuneration Study. Classified employees eligible for the salary increase provided for in this section shall receive such increase even if it causes the employee's salary to exceed the maximum for the employee's pay band.

SECTION 2. NEW LAW A new section of law not to be codified in the Oklahoma Statutes reads as follows:

No funds appropriated for the purpose of implementing the pay increase provided in Section 1 of this act shall be expended by any employing public agency, board, commission or other public employing entity in order to increase compensation for persons employed by a private business entity that has entered into a contract with the public employing entity to provide personnel services or temporary services to the public employing entity in order for the public employing entity to perform duties imposed upon it by law or functions which the public employing entity is authorized to perform by law. The provisions of this section shall not be construed to prohibit increases in compensation to a vendor performing other types of services pursuant to a sole source contract or contract awarded pursuant to The Oklahoma Central Purchasing Act.

SECTION 3. This act shall become effective July 1, 2014.

SECTION 4. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby

declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
