and such commodity bears or contains a pesticide chemical which is
unsafe within the meaning of Section 408 of the Federal Food, Drug,
and Cosmetic Act;

exemption in effect pursuant to Section 409 of the Federal Food,
Drug, and Cosmetic Act;

 omitted or abstracted therefrom; or if any substance has been
 substituted, wholly or in part, therefor; or if damage or
 inferiority has been concealed in any manner; or if any substance
 has been added thereto or mixed or packed therewith so as to
increase its bulk or weight, or reduce its quality or strength, or
make it appear better or of greater value than it is; or
(9) if it is margarine containing animal fat and any of the raw
material used therein consisted, in whole or in part, of any filthy,
putrid, or decomposed substance.
(k) The term “misbranded” shall apply to any carcass, part

(8) if it purports to be or is represented as a food for which a standard or standards of fill of container have been prescribed by regulations of the Board under Section 6-187 of this title, and it falls below the standard of fill of container applicable thereto, unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard;

(9) if it is not subject to the provisions of subparagraph (7), unless its label bears (A) the common or usual name of the food, if any there be, and (B) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings may, when authorized...
