SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1001.5 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. Any county of this state is hereby authorized to levy a tax upon the severance of rock, gravel, sand, gypsum or any other
natural materials mined for purposes of producing aggregate within
the territorial limits of the county, in an amount specified in the
special election called as provided herein. Before a severance tax
may be levied by the county, the imposition of the tax shall first
be approved by a majority of the registered voters of the county
voting thereon at a special election called by the board of county
commissioners or by an initiative petition signed by not less thanive percent (5%) of the registered voters of the county who were
registered at the time of the last general election. However, if a
majority of the registered voters of a county voting fail to approve
such a tax, the board of county commissioners shall not call another
special election for such purpose for six (6) months.

B. Any tax levied or any change in the rate of a tax levied
pursuant to the provisions of this section shall become effective on
the first day of the calendar quarter following approval by the
voters of the county unless another effective date, which shall also
be on the first day of a calendar quarter, is specified in the
ordinance or resolution levying the tax or changing the rate of the
tax. The county may approve up to seven percent (7%) severance tax
on the gross value of the production of rock, gravel, sand and
gypsum.

C. Any severance tax which may be levied by a county shall be
designated for a specific or general purpose by a majority vote of
the board of county commissioners or as stated by initiative
petition. The county shall identify the purpose of the severance tax when it is presented to the voters pursuant to the provisions of subsection A of this section. The proceeds of any severance tax levied by a county shall be deposited in the highway fund of the county and shall be used for any infrastructure purposes, including but not limited to, roads, bridges, water systems, waste water systems and emergency service equipment, such as fire trucks and ambulances.

D. The life of a tax levied pursuant to the provisions of this section may be limited or unlimited in duration. The county shall identify the duration of the tax when it is presented to the voters pursuant to the provisions of subsection A of this section.

E. The Oklahoma Tax Commission shall give notice to all relevant taxpayers of a rate change at least sixty (60) days prior to the effective date of the rate change. Failure to give notice as required by this section shall delay the effective date of the rate change to the first day of the next calendar quarter. The board of county commissioners of a county levying a tax pursuant to the provisions of this section and the Tax Commission are authorized to enter into a contract whereby the Tax Commission shall have authority to assess, collect and enforce the tax and any penalties or interest thereon levied by the county and to remit the same to the county. Such authority shall apply to any tax levied pursuant to this section and penalty or interest liability existing at the
time of contracting. Upon contracting, the Tax Commission shall have the power of enforcement of the tax, penalties or interest that is vested in the county. The contract shall provide for the assessment, collection and enforcement of the tax, penalties or interest in the same manner as the administration, collection or enforcement of the state gross production tax by the Tax Commission. For providing such assistance, the Tax Commission shall charge the county a fee of one percent (1%) of the gross collection proceeds.

F. Initiative petitions calling for a special election concerning county severance tax proposals shall be in accordance with Sections 2, 3, 3.1, 6, 18 and 24 of Title 34 of the Oklahoma Statutes. Following approval, the petitioner shall have ninety (90) days to secure the required signatures. After securing the requisite number of signatures, the petitioner shall submit the petition and signatures to the county clerk. Following the verification of signatures, the county clerk shall present the petition to the board of county commissioners. The special election shall be held within sixty (60) days of the board of county commissioners receiving the petition from the county clerk.
