opportunity for access to higher learning under the Oklahoma Higher Learning Access Program. The Oklahoma State Regents for Higher Education and the State Board of Education shall develop, promote, and coordinate a public awareness program to be utilized in making students and parents aware of the Oklahoma Higher Learning Access Program.

B. On a form provided by the Oklahoma State Regents for Higher Education, every public school district shall designate at least one Oklahoma Higher Learning Access Program contact person, who shall be a counselor or teacher, at each public school site in this state in which eighth-, ninth- or tenth-grade classes are taught. When requested by the State Regents, the State Board of Education shall assist the State Regents to ensure the designation of contact persons. Private schools shall also designate at least one school official as a contact person. For students who are educated by other means, a parent or guardian or other person approved by the State Regents shall be designated the contact person.

Students who qualify on the basis of financial need according to subsection D or E of this section or who meet the eligibility qualification set forth in subparagraph a of paragraph 1 of subsection B of Section 2603 of this title prior to entering the tenth grade or prior to reaching the age of fifteen (15) and the standards and provisions promulgated by the Oklahoma State Regents for Higher Education shall be given the opportunity throughout the
eighth-, ninth-, and tenth-grade years, for students enrolled in a public or private school, or between the ages of thirteen (13) and fifteen (15), for students who are educated by other means, to enter into participation in the program by agreeing to, throughout the remainder of their school years or educational program:

b. refrain from substance abuse,
c. refrain from commission of crimes or delinquent acts,
d. have school work and school records reviewed by mentors designated pursuant to the program,

The State Regents shall work with the Oklahoma State Banking Department to put together seminars, lectures, websites, materials and other educational information to be incorporated into the financial literacy programs. The State Regents may also work with banks or other financial
institutions to provide materials and information for
the financial literacy programs.

2. Students who meet the eligibility qualification set forth in
subparagraph a of paragraph 1 of subsection B of Section 2603 of
this title after completing the tenth grade or after reaching the
age of sixteen (16) shall be given the opportunity prior to reaching
the age of twenty-one (21) to enter into participation in the
program and shall execute an agreement with provisions as determined
by the Oklahoma State Regents for Higher Education.

3. The contact person shall maintain the agreements, which
shall be executed on forms provided by the Oklahoma State Regents
for Higher Education and managed according to regulations
promulgated by the Oklahoma State Regents for Higher Education, and
the contact person shall monitor compliance of the student with the
terms of the agreement. The Oklahoma State Regents for Higher
Education are authorized to process student agreements and verify
compliance with the agreements. Students failing to comply with the
terms of the agreement shall not be eligible for the awards provided
in Section 2604 of this title.

D. Except as otherwise provided for in subsection E of this
section and except for students who qualify pursuant to subsection B

financial need for purposes of the Oklahoma Higher Learning Access
Program if:
1. At the time the student applies for participation in the Program during the eighth, ninth or tenth grade for students enrolled in a public or private school, or between the ages of thirteen (13) and fifteen (15), for students who are educated by other means, the income from taxable and nontaxable sources of the student's parent(s) exceeds Fifty Thousand Dollars ($50,000.00) per year; and

2. At the time the student begins postsecondary education and prior to receiving any Oklahoma Higher Learning Access Program benefit award, the federal adjusted gross income of the student's parent(s) exceeds One Hundred Thousand Dollars ($100,000.00) per year.

The determination of financial qualification as set forth in this paragraph shall be based on the income of the student, not the income of the parent(s), if a student:

a. is determined to be independent of the student's parents for federal financial aid purposes,

b. was in the permanent custody of the Department of Human Services at the time the student enrolled in the program, or

c. was in the court-ordered custody of a federally recognized Indian tribe, as defined by the federal Indian Child Welfare Act, at the time the student enrolled in the program.

student begins postsecondary education and prior to receiving any Oklahoma Higher Learning Access Program benefit award, the federal adjusted gross income of the student's parent(s) exceeds Two Hundred Thousand Dollars ($200,000.00) per year. The provisions of this paragraph shall not apply to any student who has received an Oklahoma Higher Learning Access Program benefit award prior to the 2012-2013 school year.

3. Except for students who qualify pursuant to subsection B of Section 2603 of this title, the determination of financial qualification as set forth in this subsection shall be based on the income of the student, not the income of the parent(s), if the student is determined to be independent of the student's parents for federal financial aid purposes. A determination of financial qualification shall not be required for the student who meets the criteria set forth in this subsection at the time the student applies for participation in the program. The provisions of this paragraph shall not apply to any student who has received an Oklahoma Higher Learning Access Program benefit award prior to the 2008-2009 school year.

F. The financial qualification of a student as set forth in subsections D and E of this section shall be certified by the contact person or by the Oklahoma State Regents for Higher Education on the agreement form provided by the Oklahoma State Regents for Higher Education. The form shall be retained in the permanent

I. The Oklahoma State Regents for Higher Education shall promulgate rules for the determination of student compliance with agreements made pursuant to this section.

J. The Oklahoma State Regents for Higher Education shall designate personnel to coordinate tracking of program records for the years when students participating in the program are still in the schools or are being educated by other means, provide staff development for contact persons in the schools, and provide liaison with the State Board of Education and local organizations and individuals participating in the program.

K. The school district where an Oklahoma Higher Learning Access Program student is enrolled when the student begins participation in the program and any subsequent school district where the student enrolls shall forward information regarding participation by the student in the program to a school to which the student transfers upon the request of the school for the records of the student.

L. Students participating in the Oklahoma Higher Learning Access Program shall provide their social security number or their student identification number used by their school to the Oklahoma State Regents for Higher Education.
