I move to amend HB1371 by adding “A.” before the word “In”; and by adding on page 3, Section 2, line 4, the following language: “B. Any person not wanting to participate in any of the activities set forth in subsection A of this section based on sexual orientation, gender identity or race of either party to the marriage shall post notice of such refusal in a manner clearly visible to the public in all places of business, including websites. The notice may refer to the person’s religious beliefs, but shall state specifically which couples the business does not serve by referring to a refusal based upon sexual orientation, gender identity or race.”
