SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 7004 of Title 62, unless there is created a duplication in numbering, reads as follows:
A. The Incentive Evaluation Commission shall ensure that each incentive is evaluated at least once every four (4) years unless the Commission determines that the incentive is exempt from evaluation. The Commission may exempt from evaluation any incentive that it concludes has a minimal fiscal impact.

B. By January 1, 2016, and by January 1 each year thereafter, the Incentive Evaluation Commission shall develop a four-year schedule for evaluating incentives. Each schedule shall include a list of all incentives in the state, including any it exempts from evaluation. In determining whether a program is an incentive, the Incentive Evaluation Commission may consider legislative intent and may also consider whether the program is promoted as an incentive by any state agency. For each incentive listed in the schedule, the Commission shall attempt to identify the goal or goals of the incentive.

C. Upon approval of the schedule, the Commission shall provide the schedule to the Governor, President Pro Tempore of the Senate and Speaker of the House of Representatives.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 7005 of Title 62, unless there is created a duplication in numbering, reads as follows:

A. The Commission may contract with a private company, nonprofit, or academic institution to assist with evaluation of each incentive. The Commission shall develop a scope of services for a
request for proposals issued pursuant to The Oklahoma Central Purchasing Act, Section 85.1 et seq. of Title 74 of the Oklahoma Statutes, for professional services necessary to complete incentive evaluations pursuant to the Incentive Evaluation Act. The cost of such contract shall be paid by the Office of Management and Enterprise Services.

B. By November 1 of each year beginning in 2016, the Commission or the Commission's chosen contractor shall evaluate each incentive scheduled for review that year. The Commission or the Commission's chosen contractor shall conduct each incentive evaluation in consultation with the Oklahoma Department of Commerce division of Research and Economic Analysis Services using criteria developed pursuant to subsection D of this section. Between November 1 and November 30 of each year beginning in 2016, the Commission shall hold at least one public meeting to review, allow for public comment, and vote to approve or disapprove each incentive evaluation conducted that year. By December 15 of each year beginning in 2016, the Commission shall provide the results of each incentive evaluation in a written report to the Governor, President Pro Tempore of the Senate and Speaker of the House of Representatives. The report shall be made publicly available on the Oklahoma Department of Commerce website and documents.ok.gov.

C. Each evaluation shall include the following:
1. An estimate of the economic and fiscal impact of the incentive. This estimate shall take into account the following considerations in addition to other relevant factors:
   a. the extent to which the incentive changes business behavior,
   b. the results of the incentive for the economy of Oklahoma as a whole. This consideration includes both positive direct and indirect impacts and any negative effects on other Oklahoma businesses, and
   c. a comparison to the results of other incentives or other economic development strategies with similar goals;

2. An assessment of whether adequate protections are in place to ensure the fiscal impact of the incentive does not increase substantially beyond the state's expectations in future years;

3. An assessment of whether the incentive is being administered effectively;

4. An assessment of whether the incentive is achieving its goals;

5. Recommendations for how Oklahoma can most effectively achieve the incentive's goals, including recommendations on whether the incentive should be retained, reconfigured or repealed; and

6. Recommendations for any changes to state policy, rules, or statutes that would allow the incentive to be more easily or
conclusively evaluated in the future. These recommendations may include changes to collection, reporting and sharing of data, and revisions or clarifications to the goal of the incentive.

D. Evaluation criteria shall be developed for each incentive evaluated by the Commission. Each incentive shall be evaluated using criteria specific to the individual incentive. The criteria shall be developed through the administrative rulemaking process pursuant to the Administrative Procedures Act, Section 250 et seq. of Title 75 of the Oklahoma Statutes, and codified in the administrative code of the Oklahoma Department of Commerce.

E. At the request of the Incentive Evaluation Commission, state agencies shall provide any records, information, data, or data analysis necessary for the Commission or contractors to effectively evaluate incentives. The Commission and contractors shall not disclose or release any data received from other state agencies, except as permitted under law.

SECTION 6. This act shall become effective November 1, 2015.
