A. There is hereby created the Oklahoma Parental Empowerment Account Program to be administered by the Office of the State Treasurer to provide a parental empowerment account for qualified expenditures to support the education of an eligible student in this state.

enrolls or re-enrolls on a full-time basis in a resident district;

H. All parental empowerment account funds that are unused by the end of the school year shall be carried forward to the next school year if the agreement entered into pursuant to subsection B of this section is renewed. 2. The State Department of Education shall calculate the total cost of all parental empowerment accounts for all eligible students in the state. The State Department of Education shall then reserve or retain from the total amount appropriated to the State Board of Education for State Aid purposes and any other revenue available for allocation for State Aid purposes the total cost for all parental empowerment accounts.

3. The State Department of Education shall transfer to the Office of the State Treasurer an amount equal to ninety percent (90%) of the amount calculated pursuant to paragraph 2 of this subsection in equal allocations pursuant to a schedule established by the Office of the State Treasurer. Of the funds transferred to the Office of the State Treasurer for the Program, an amount not exceeding three percent (3%) may be retained by the Office of the State Treasurer for administration of the Program.
4. The remaining ten percent (10%) of total state funding from the State Department of Education shall be distributed by the State Board of Education to the resident district which the eligible student would otherwise attend to be expended in a manner decided by the local school district board of education.

E. The Office of the State Treasurer shall audit parental empowerment accounts randomly each year. The Office of the State Treasurer may provide for additional audits of parental empowerment accounts as it determines necessary.

F. 1. The Office of the State Treasurer may remove any parent or legal guardian of an eligible student from eligibility for the Program if the parent or legal guardian fails to comply with the terms of the agreement executed pursuant to Section 3 of this act or applicable laws, rules or orders or misuses monies or fails to comply with the terms of the agreement with the intent to defraud.

2. The Office of the State Treasurer shall suspend the parental empowerment account of the parent or legal guardian and shall notify the parent or legal guardian in writing that the parental empowerment account has been suspended and that no further transactions shall be allowed. The notification shall specify the reason for the suspension and state that the parent or legal guardian has ten (10) days, not including weekends, to respond and take corrective action. If the parent or legal guardian refuses or fails to contact the Office of the State Treasurer, furnish any information or make any report that may be required for
reinstatement within the ten-day period, the Office of the State Treasurer may remove the parent or legal guardian of the eligible student from participation in the Program.
