2. Rape by instrumentation, pursuant to Section 1111.1 of Title 21 of the Oklahoma Statutes;

3. Lewd, indecent proposals or acts against a child under sixteen (16) years of age, pursuant to Section 1123 of Title 21 of the Oklahoma Statutes;
4. Solicitation of a minor, pursuant to subsection B of Section 1021 of Title 21 of the Oklahoma Statutes;

B. A person who has been convicted of a sexually violent offense may, upon a first conviction and in addition to any other punishment provided by law, be required to undergo medroxyprogesterone acetate treatment as part of any conditions of release. The treatment prescribed in this section may utilize an approved pharmaceutical agent other than medroxyprogesterone acetate. This section shall not apply if the person voluntarily undergoes a permanent surgical alternative approved by the court.

C. The Department of Corrections shall promulgate and adopt rules which provide for the initiation of medroxyprogesterone acetate or other approved pharmaceutical agent treatment prior to the parole or release of a person who has been convicted of a
sexually violent offense and who is required to undergo treatment as a condition of release.

SECTION 2. This act shall become effective November 1, 2018.
