2. For purposes of this subsection, an undue change or restriction of municipal zoning laws means an act which entirely prevents retail marijuana establishments dispensaries from operating within municipal boundaries as a matter of law. Municipalities may follow their standard planning and zoning procedures to determine if certain zones or districts would be appropriate for locating marijuana-licensed premises, medical marijuana businesses or any other premises where marijuana or its by-products are cultivated, grown, processed, stored or manufactured.

3. For purposes of this section, “retail marijuana establishment” means an entity licensed by the State Department of Health as a medical marijuana dispensary. Retail marijuana establishment a medical marijuana dispensary does not include those other entities licensed by the Department as marijuana-licensed premises, medical marijuana businesses or other facilities or locations where marijuana or any product containing marijuana or its by-products are cultivated, grown, processed, stored or manufactured.
G. The location of any medical marijuana dispensary is specifically prohibited within one thousand (1,000) feet of any public or private school entrance unless the medical marijuana dispensary was granted a medical marijuana dispensary license by the State Department of Health for that location prior to the effective date of this act. Upon the effective date of this act, the distance indicated in this subsection shall be measured from the nearest property line of the public or private school to the nearest property line of the dispensary. If any public or private school is established within one thousand (1,000) feet of any dispensary after such dispensary has been licensed, the provisions of this section shall not be a deterrent to the renewal of such license or warrant revocation of the license.

H. Research shall be provided for under this law. A researcher may apply to the State Department of Health for a special research license. The license shall be granted, provided the applicant meets the criteria listed under subsection B of Section 421 of this title in the Oklahoma Medical Marijuana and Patient Protection Act. Research license holders shall be required to file monthly consumption reports to the State Department of Health with amounts of marijuana used for research.
SECTION 6. AMENDATORY  Section 4, Chapter 509, O.S.L.

2019 (63 O.S. Supp. 2019, Section 426.1), is amended to read as follows:

Section 426.1. A. Except for revocation hearings concerning licensed patients, as defined in Section 2 of Enrolled House Bill No. 2612 of the 1st Session of the 57th Oklahoma Legislature this title, all licensure revocation hearings conducted pursuant to marijuana licenses established in the Oklahoma Statutes shall be recorded. A party may request a copy of the recording of the proceedings. Copies shall be provided to local law enforcement if the revocation was based on alleged criminal activity.

B. The State Department of Health shall assist any law enforcement officer in the performance of his or her duties upon such request by the law enforcement officer or the request of other local officials having jurisdiction. Except for license information concerning licensed patients, as defined in Section 2 of Enrolled House Bill No. 2612 of the 1st Session of the 57th Oklahoma Legislature this title, the Department shall share information with law enforcement agencies upon request without a subpoena or search warrant.

C. The State Department of Health shall make available all information displayed on medical marijuana licenses, as well as whether or not the license is valid, to law enforcement
electronically through the Oklahoma Law Enforcement
Telecommunications System.

D. The Department shall make available to Oklahoma state
to agencies and political subdivisions a list of marijuana-licensed
premises, medical marijuana businesses or any other premises where
marijuana or its by-products are licensed to be cultivated, grown,
processed, stored or manufactured to aid Oklahoma state, county and
municipal governments in identifying locations within their
jurisdiction and ensure ensuring compliance with local applicable
laws, rules and regulations.

E. All If located within the incorporated boundaries of any
city or town, all marijuana-licensed premises, medical marijuana
businesses or any other premises where marijuana or its by-products
are licensed to be cultivated, grown, processed, stored or
manufactured shall submit with their the application or request to
change location, after notifying the political subdivision of their
intent, a certificate of compliance from the political subdivision
where the facility or use of the applicant or use licensee is to be
located certifying compliance with zoning classifications,
applicable municipal ordinances and all applicable safety,
electrical, fire, plumbing, waste, construction and building
specification codes. Once a certificate of compliance has been
submitted to the Oklahoma Medical Marijuana Authority showing full
compliance as outlined in this section, no additional certificate of
compliance shall be required for license renewal unless a change of
use or occupancy occurs, or there is any change concerning the
facility or location that would by law require additional
inspection, licensure, or permitting by the state or municipal
government.

“Water-based medical marijuana concentrate” means a concentrate that was produced by extracting cannabinoids from medical marijuana through the use of only water, ice, or dry ice.

SECTION 8. AMENDATORY Section 3, Chapter 11, O.S.L. 2019, as amended by Section 6, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.3), is amended to read as follows:

Section 427.3. A. There is hereby created the Oklahoma Medical Marijuana Authority within the State Department of Health which shall address issues related to the medical marijuana program in Oklahoma including, but not limited to, the issuance of patient licenses and medical marijuana business licenses, and the dispensing, cultivating, processing, testing, transporting, storage, research, and the use of and sale of medical marijuana pursuant to this act.

B. The Department shall provide support staff to perform designated duties of the Authority. The Department shall also provide office space for meetings of the Authority.

C. The Department shall implement the provisions of this act consistently with the voter-approved State Question No. 788, Initiative Petition No. 412, subject to the provisions of this act.
D. The Department shall exercise its respective powers and perform its respective duties and functions as specified in this act and Title 63 of the Oklahoma Statutes this title including, but not limited to, the following:

1. Determine steps the state shall take, whether administrative or legislative in nature, to ensure that research on marijuana and marijuana products is being conducted for public purposes, including the advancement of:
   a. public health policy and public safety policy,
   b. agronomic and horticultural best practices, and
   c. medical and pharmacopoeia best practices;

2. Contract with third-party vendors and other governmental entities in order to carry out the respective duties and functions as specified in this act;

3. Upon complaint or upon its own motion and upon a completed investigation, levy fines as prescribed in this act applicable laws, rules and regulations and suspend or, revoke or not renew licenses pursuant to this act applicable laws, rules and regulations;

4. Issue subpoenas for the appearance or production of persons, records and things in connection with disciplinary or contested cases considered by the Department;

5. Apply for injunctive or declaratory relief to enforce the provisions of this section and any applicable laws, rules promulgated pursuant to this section and regulations;
6. Inspect and examine, with notice provided in accordance with this act, all licensed premises of medical marijuana businesses, research facilities and education facilities and waste disposal facilities in which medical marijuana is cultivated, manufactured, sold, stored, transported, tested or distributed or disposed;

7. Upon action by the federal government by which the production, sale and use of marijuana in Oklahoma does not violate federal law, work with the Oklahoma State Banking Department and the State Treasurer to develop good practices and standards for banking and finance for medical marijuana businesses;

8. Establish internal control procedures for licenses including accounting procedures, reporting procedures and personnel policies;

9. Establish a fee schedule and collect fees for performing background checks as the Commissioner deems appropriate. The fees charged pursuant to this paragraph shall not exceed the actual cost incurred for each background check; and

10. Require verification for sources of finance for medical marijuana businesses. Establish a fee schedule and collect fees for material changes requested by the licensee.

SECTION 9. AMENDATORY Section 4, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.4), is amended to read as follows:

Section 427.4. A. The Oklahoma Medical Marijuana Authority, in conjunction with the State Department of Health, shall employ an
Executive Director and other personnel as necessary to assist the
Authority in carrying out its duties.

B. The Authority shall not employ an individual if any of the
following circumstances exist:

1. The individual has a direct or indirect interest in a
licensed medical marijuana business; or

2. The individual or his or her spouse, parent, child, spouse
of a child, sibling, or spouse of a sibling has an application for a
medical marijuana business license pending before the Department or
is a member of the board of directors of a medical marijuana
business, or is an individual financially interested in any licensee
or medical marijuana business.

C. All officers and employees of the Authority shall be in the
exempt unclassified service as provided for in Section 840-5.5 of
Title 74 of the Oklahoma Statutes.

D. The Commissioner may delegate to any officer or employee of
the Department any of the powers of the Executive Director and may
designate any officer or employee of the Department to perform any
of the duties of the Executive Director.

E. The Executive Director shall be authorized to suggest rules
governing the oversight and implementation of this act.

F. The Department is hereby authorized to create employment
positions necessary for the implementation of its obligations
pursuant to this act, including but not limited to Authority
investigators and a senior director of enforcement. The Department and the Authority, the senior director of enforcement, the Executive Director, and Department investigators shall have all the powers of any peace officer to:

1. Investigate violations or suspected violations of this act and any rules promulgated pursuant thereto;

2. Serve all warrants, summonses, subpoenas, administrative citations, notices or other processes relating to the enforcement of laws regulating medical marijuana, concentrate, and medical marijuana product;

3. Assist or aid any law enforcement officer in the performance of his or her duties upon such law enforcement officer’s request or the request of other local officials having jurisdiction;

4. Require As provided in Section 427.6 of this title, require any business applicant or licensee, upon twenty-four (24) hours notice or upon a showing of necessity, to permit an inspection of licensed premises during business hours or at any time of apparent operation, marijuana equipment, and marijuana accessories, or books and records; and to permit the testing of or examination of medical marijuana, concentrate, or product; and

5. Require applicants and licensees to submit complete and current applications, submit information and fees required by this act and fees, the Oklahoma Medical Marijuana and Patient Protection
Act and the Oklahoma Medical Marijuana Waste Management Act, and approve material changes made by the applicant or licensee.

SECTION 10. AMENDATORY Section 6, Chapter 11, O.S.L. 2019, as amended by Section 7, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.6), is amended to read as follows:

Section 427.6. A. The State Department of Health shall address issues related to the medical marijuana program in Oklahoma including, but not limited to, monitoring and disciplinary actions as they relate to the medical marijuana program.

B. 1. The Department or its designee may perform on-site inspections or investigations of a licensee or applicant for any medical marijuana business license issued pursuant to this act, research facility, education facility or waste disposal facility to determine compliance with this act applicable laws, rules and regulations or submissions made pursuant to this section. The Department may enter the licensed premises of a medical marijuana business licensee or applicant, research facility, education facility or waste disposal facility to assess or monitor compliance or ensure qualifications for licensure.

2. Inspections Post-licensure inspections shall be limited to twice per calendar year and twenty-four (24) hours of notice shall be provided to a medical marijuana business applicant or licensee prior to an on-site assessment. However, investigations and additional inspections may occur without notice when the Department
shows that believes an investigation or additional inspection is necessary due to a possible violation of this act. Such inspection may be without notice if the Department believes that such notice will result in the destruction of evidence the applicable laws, rules or regulations. The State Commissioner of Health may adopt rules imposing penalties including, but not limited to, monetary penalties and revocation of license, for failure to allow the Department reasonable access to the licensed premises for purposes of conducting an inspection. As used in this paragraph, “reasonable access” shall include, but not be limited to, access during normal business hours of operation after twenty-four (24) hours of notice has been provided or, for investigations or additional inspections, access during normal business hours of operation.

3. The Department may review relevant records of a licensed medical marijuana business, licensed medical marijuana research facility or licensed medical marijuana education facility or licensed medical marijuana waste disposal facility, and may require and conduct interviews with such persons or entities and persons affiliated with such entities, for the purpose of determining compliance with Department requirements and applicable laws. However, prior to conducting any interviews with the medical marijuana business, research facility or education facility, the licensee shall be afforded sufficient time to secure legal
representation during such questioning if requested by the business or facility or any of its agents or employees or contractors.

4. The Department shall refer complaints alleging criminal activity that are made against a licensee to appropriate Oklahoma state or local law enforcement authorities.

C. Disciplinary action may be taken against an applicant or licensee under this act for not adhering to the law applicable laws pursuant to the terms, conditions and guidelines set forth in this act the Oklahoma Medical Marijuana and Patient Protection Act.

D. Disciplinary actions may include revocation, suspension or denial of an application, license or final authorization and other action deemed appropriate by the Department.

E. Disciplinary actions may be imposed upon a medical marijuana business licensee for:

1. Failure to comply with or satisfy any provision of this section applicable laws, rules or regulations;

2. Falsification or misrepresentation of any material or information submitted to the Department;

3. Failing to allow or impeding a monitoring visit entry by authorized representatives of the Department;

4. Failure to adhere to any acknowledgement, verification or other representation made to the Department;
5. Failure to submit or disclose information required by this section applicable laws, rules or regulations or as otherwise requested by the Department;

6. Failure to correct any violation of this section cited as a result of a review or audit of financial records or other materials;

7. Failure to comply with requested access by the Department to the licensed premises or materials;

8. Failure to pay a required monetary penalty;

9. Diversion of medical marijuana or any medical marijuana product, as determined by the Department;

10. Threatening or harming a patient, a medical practitioner or an employee of the Department; and

11. Any other basis indicating a violation of the applicable laws and regulations as identified by the Department.

F. Disciplinary actions against a licensee may include the imposition of monetary penalties, which may be assessed by the Department.

G. Penalties for sales or purchases by a medical marijuana business to persons other than those allowed by law occurring within any two-year time period may include an initial fine of up to One Thousand Dollars ($1,000.00) for a first violation and a fine of up to Five Thousand Dollars ($5,000.00) for any subsequent violation. Penalties for grossly inaccurate or fraudulent reporting occurring within any two-year time period may include an initial fine of One
Thousand Dollars ($1,000.00) for a first violation and a fine of Five Thousand Dollars ($5,000.00) for any subsequent violations. The medical marijuana business may be subject to a revocation of any license granted pursuant to the Oklahoma Medical Marijuana and Patient Protection Act upon a showing that the violation was willful or grossly negligent.

H. 1. First offense for intentional and impermissible diversion of medical marijuana, concentrate or products by a patient or caregiver to an unauthorized person shall not be punished under a criminal statute but may be subject to a fine of Two Hundred Dollars ($200.00).

2. The second offense for impermissible diversion of medical marijuana, concentrate or products by a patient or caregiver to an unauthorized person shall not be punished under a criminal statute but may be subject to a fine of not to exceed Five Hundred Dollars ($500.00) and may result in revocation of the license upon a showing that the violation was willful or grossly negligent.

I. The following persons or entities may request a hearing to contest an action or proposed action of the Department:

1. A medical marijuana business, research facility or education facility licensee whose license has been summarily suspended or who has received a notice of contemplated action to suspend or revoke a license or take other disciplinary action; and
2. A patient or caregiver licensee whose license has been summarily suspended or who has received notice of contemplated action to suspend or revoke a license or take other disciplinary action.

J. Whenever the Department finds, upon clear and convincing evidence, that an emergency exists requiring immediate action in order to protect the public health or welfare, the Department may issue an order, without notice or hearing, stating the existence of the emergency and requiring that action be taken as the Department deems necessary to meet the emergency. The order shall be effective immediately upon issuance. Any person to whom the order is directed shall comply immediately with the provisions of the order but shall be offered a hearing within ten (10) days of the issuance of the order. On the basis of the hearing, the Department shall continue the order in effect, revoke or modify the order.

K. All hearings held pursuant to this section shall be in accordance with the Oklahoma Administrative Procedures Act, Section 250 et seq. of Title 75 of the Oklahoma Statutes.

SECTION 11. AMENDATORY Section 7, Chapter 11, O.S.L. 2019, as amended by Section 5, Chapter 509, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.7), is amended to read as follows:

Section 427.7. A. The Oklahoma Medical Marijuana Authority shall create a medical marijuana use registry of patients and caregivers as provided under this section. The handling of any
records maintained in the registry shall comply with all relevant applicable state and federal privacy laws including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

B. The medical marijuana use registry shall be accessible to:

1. Oklahoma-licensed medical marijuana dispensaries to verify the license of a patient or caregiver by the ten- to twenty-four-character identifier; and

2. Any court in this state.

C. All other records regarding a medical marijuana patient licensee shall be maintained by the Authority and shall be deemed confidential. The handling of any records maintained by the Authority shall comply with all relevant applicable state and federal privacy laws including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Such records shall be marked as confidential, shall not be made available to the public, and shall only be made available to the licensee, designee of the licensee, any physician of the licensee or the caregiver of the licensee.

D. A log shall be kept with the file of the licensee to record any event in which the records of the licensee were made available and to whom the records were provided.

E. The Department shall ensure that all application medical marijuana patient and caregiver records and information are sealed
to protect the privacy of medical marijuana patient license applicants and licensees.

SECTION 12. AMENDATORY Section 9, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.9), is amended to read as follows:

Section 427.9. A. The Authority may contact the recommending physician of a licensee or an applicant for a medical marijuana patient license to verify the need of the applicant or licensee for the license and the information submitted with the application.

B. An applicant for a medical marijuana patient license who can demonstrate his or her status as a one-hundred-percent-disabled veteran as determined by the U.S. Department of Veterans Affairs and codified at 38 C.F.R., Section 3.340(a)(2013) shall pay a reduced biannual application fee of Twenty Dollars ($20.00). The methods of payment, as determined by the Authority, shall be provided on the website. However, the Authority shall ensure that all applicants have an option to submit the license application and payment by means other than solely by submission of the application and fee online.

C. The medical marijuana patient license shall be valid for up to two (2) years from the date of issuance, unless the recommendation of the physician is terminated pursuant to this act Section 427.10 of this title or revoked by the Department.
SECTION 13. AMENDATORY Section 10, Chapter 11, O.S.L. 2019, as amended by Section 2, Chapter 390, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.10), is amended to read as follows:

Section 427.10. A. Only licensed Oklahoma allopathic, osteopathic and podiatric physicians may provide a medical marijuana recommendation for a medical marijuana patient license under this act.

B. A physician who has not completed his or her first residency shall not meet the definition of “physician” under this section and any recommendation for a medical marijuana patient license shall not be processed by the Authority.

C. No physician shall be subject to arrest, prosecution or penalty in any manner or denied any right or privilege under Oklahoma state, municipal or county statute, ordinance or resolution, including without limitation a civil penalty or disciplinary action by the State Board of Medical Licensure and Supervision or the State Board of Osteopathic Examiners or the Board of Podiatric Medical Examiners or by any other business, occupation or professional licensing board or bureau, solely for providing a medical marijuana recommendation for a patient or for monitoring, treating or prescribing scheduled medication to patients who are medical marijuana licensees. The provisions of this subsection shall not prevent the relevant professional licensing boards from sanctioning a physician for failing to properly evaluate
the medical condition of a patient or for otherwise violating the applicable physician-patient standard of care.

D. A physician who recommends use of medical marijuana shall not be located at the same physical address as a dispensary.

E. If the physician determines the continued use of medical marijuana by the patient no longer meets the requirements set forth in the Oklahoma Medical Marijuana and Patient Protection Act, the physician shall notify the Department and the Authority shall immediately revoke the license. The Department shall notify the patient of the revocation and provide the patient thirty (30) days to submit a new recommendation. If the patient fails to supply the Department with a new doctor recommendation within thirty (30) days, the patient license shall be immediately voided without a right to an individual hearing.

SECTION 14. AMENDATORY Section 11, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.11), is amended to read as follows:

Section 427.11. A. The caregiver license shall provide the caregiver the same rights as the medical marijuana patient licensee, including the ability to possess marijuana, marijuana products, and mature and immature plants pursuant to the Oklahoma Medical Marijuana and Patient Protection Act, but excluding the ability to use marijuana or marijuana products unless the caregiver has a medical marijuana patient license. Caregivers shall be authorized
to deliver marijuana and products to their authorized patients. Caregivers shall be authorized to possess medical marijuana and medical marijuana products up to the sum of the possession limits for the patients under his or her care pursuant to the Oklahoma Medical Marijuana and Patient Protection Act.

B. An individual caregiver shall be limited to exercising the marijuana cultivation rights of no more than five licensed patients as prescribed by the Oklahoma Medical Marijuana and Patient Protection Act.

C. The license of a caregiver shall not extend beyond the expiration date of the underlying patient license regardless of the issue date.

D. A medical marijuana patient licensee may request, at any time, to withdraw his or her caregiver license. In the event that such a request is made or upon the expiration of the license of the patient, the caregiver license shall be immediately withdrawn by the Department without a right to a hearing.

SECTION 15. AMENDATORY Section 13, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.13), is amended to read as follows:

Section 427.13. A. All medical marijuana and medical marijuana products shall be purchased solely from an Oklahoma-licensed medical marijuana business, and shall not be purchased from any out-of-state providers.
B. 1. The Authority shall have oversight and auditing responsibilities to ensure that all marijuana being grown in Oklahoma is accounted for and shall implement an inventory tracking system. Pursuant to these duties, the Authority shall require that each medical marijuana business, research facility, education facility and waste disposal facility keep records for every transaction with another medical marijuana business, patient or caregiver. Inventory shall be tracked and updated after each individual sale and reported to the Authority.

2. The inventory tracking system licensees use shall allow for integration of other seed-to-sale systems and, at a minimum, shall include the following:
   a. notification of when marijuana seeds are planted,
   b. notification of when marijuana plants are harvested and destroyed,

medical marijuana business, as defined in this act for each class of license.

N. A medical marijuana business, research facility, education facility or waste disposal facility that attempts to renew its license more than thirty (30) days after expiration of the license shall pay a late renewal fee in an amount to be determined by the Department to reinstate the license. Late renewal fees are nonrefundable. A license that has been expired for more than ninety (90) days shall not be reinstated.

O. No medical marijuana business, research facility, education facility or waste disposal facility shall operate without a valid, unexpired license issued by the Department.

SECTION 17. AMENDATORY Section 16, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.16), is amended to read as follows:

Section 427.16. A. There is hereby created a medical marijuana transporter license as a category of the medical marijuana business license.

B. Pursuant to Section 424 of Title 63 of the Oklahoma Statutes this title, the Oklahoma Medical Marijuana Authority shall issue a medical marijuana transporter license to licensed medical marijuana commercial growers, processors and dispensaries upon issuance of such licenses and upon each renewal. Transporter licenses shall also be issued to licensed research facilities, education facilities
and testing laboratories upon issuance of such licenses and upon each renewal.

C. A medical marijuana transporter license may also be issued to qualifying applicants who are registered with the Oklahoma Secretary of State and otherwise meet the requirements for a medical marijuana business license set forth in this act the Oklahoma Medical Marijuana and Patient Protection Act and the requirements set forth in this section to provide logistics, distribution and storage of medical marijuana, medical marijuana concentrate and medical marijuana products.

D. A medical marijuana transporter license shall be valid for one (1) year and shall not be transferred with a change of ownership. A licensed medical marijuana transporter shall be responsible for all medical marijuana, concentrate and products once the transporter takes control of the product.

E. A transporter license shall be required for any person or entity to transport or transfer medical marijuana, concentrate or product from a licensed medical marijuana business to another medical marijuana business, or from a medical marijuana business to a medical marijuana research facility or medical marijuana education facility:

1. A licensed medical marijuana business to another medical marijuana business;
2. A medical marijuana business to a medical marijuana research facility or medical marijuana education facility; or

3. A licensed medical marijuana dispensary to a patient, a parent or legal guardian of a patient or a caregiver who placed the order and who:
   a. has a valid medical marijuana patient license, is the parent or legal guardian of a patient with a valid medical marijuana patient license or has a valid medical marijuana caregiver license, and
   b. possesses a current, state-issued identification card.

F. 1. A medical marijuana transporter licensee may contract with multiple licensed medical marijuana businesses.

2. Beginning on a date determined by the State Commissioner of Health, but no later than one hundred eighty (180) days after the effective date of this act, a medical marijuana transporter licensee may deliver medical marijuana, medical marijuana concentrate and medical marijuana products to a licensed patient, the parent or legal guardian of a licensed patient or a licensed caregiver. A medical marijuana transporter shall be prohibited from delivering medical marijuana, medical marijuana concentrate or medical marijuana products more than once per day to the same patient, parent or legal guardian of the patient, caregiver or private residence. The State Commissioner of Health shall adopt rules governing delivery of medical marijuana. Such rules shall, at a
minimum, limit the amount of medical marijuana and medical marijuana products a delivery vehicle may transport to the amount of medical marijuana or medical marijuana products necessary to fulfill patient or caregiver orders placed prior to departure from the licensed premises.

3. When delivering medical marijuana, medical marijuana concentrate or medical marijuana products to a patient, parent or legal guardian of a patient or a caregiver, the medical marijuana transporter shall deliver such products only to the private residence of the patient, parent or legal guardian of the patient, or caregiver. A medical marijuana transporter shall deliver medical marijuana, medical marijuana concentrate or medical marijuana products only to a private residence located within a ten-mile radius of the dispensary from which the medical marijuana, medical marijuana concentrate or medical marijuana products were purchased. If no dispensary is located within a ten-mile radius of the private residence, the transporter may deliver from a dispensary outside of the ten-mile radius to the private residence if the dispensary is located in the same county as the private residence;

G. A medical marijuana transporter may maintain a licensed premises to temporarily store medical marijuana, medical marijuana concentrate and medical marijuana products and to use as a centralized distribution point. A medical marijuana transporter may store and distribute medical marijuana, medical marijuana
concentrate and medical marijuana products from the licensed premises. The licensed premises shall meet all security requirements applicable to a medical marijuana business.

H. A medical marijuana transporter licensee shall use the seed-to-sale tracking system developed pursuant to this act the Oklahoma Medical Marijuana and Patient Protection Act to create shipping manifests documenting the transport of medical marijuana, medical marijuana concentrate and medical marijuana products throughout the state.

I. A licensed medical marijuana transporter may maintain and operate one or more warehouses in the state to handle medical marijuana, concentrate and products.

J. All medical marijuana, medical marijuana concentrate and product medical marijuana products shall be transported:
   1. In vehicles equipped with Global Positioning System (GPS) trackers;
   2. In a locked container and clearly labeled “Medical Marijuana or Derivative”; and
   3. In a secured area of the vehicle that is not accessible by the driver during transit in a manner prescribed by the Department.

K. 1. A transporter agent may possess marijuana at any location while the transporter agent is transferring marijuana to or from a licensed medical marijuana business, licensed medical
marijuana research facility, licensed medical marijuana education facility, licensed medical marijuana patient or licensed medical marijuana caregiver.

2. Prior to transferring possession of the medical marijuana, medical marijuana concentrate or medical marijuana products to a licensed patient, a parent or legal guardian of a licensed patient or a licensed caregiver, the transporter agent shall inspect the state-issued identification card of the patient, parent or legal guardian of the patient or caregiver, and the medical marijuana license of the patient or caregiver issued pursuant to Section 420 of this title. The transporter agent shall verify that the information provided at the time of the order matches the name and age on the state-issued identification card of the patient, parent or legal guardian of the patient or caregiver.

3. The delivery of medical marijuana, medical marijuana concentrate or medical marijuana products to a public or private school, the campus of any institution of higher education or any other public property is hereby prohibited.

The Department shall administer and enforce the provisions of this section concerning transportation.

L. The Authority shall issue a transporter agent license to individual agents, employees, officers or owners of a transporter license in order for the individual to qualify to transport medical
marijuana, medical marijuana concentrate, or product medical marijuana products.

M. The annual fee for a transporter agent license shall be One Hundred Dollars ($100.00) Twenty-five Dollars ($25.00) and shall be paid by the transporter license holder or the individual applicant. One license reprint within the licensure period shall be granted free of charge. All subsequent license reprints shall incur a fee of Twenty Dollars ($20.00).

N. The Authority shall issue each transporter agent a registry identification card within thirty (30) days of receipt of:

1. The name, address and date of birth of the person;
2. Proof of current Oklahoma residency as required for a medical marijuana business license;
3. Proof of identity as required for a medical marijuana business license;
4. Possession of a valid Oklahoma state-issued driver license;
5. Verification of employment with a licensed transporter; and
6. The application and affiliated fee; and
7. A criminal background check conducted by the Oklahoma State Bureau of Investigation, paid for by the applicant.

O. If the transporter agent application is denied, the Department shall notify the transporter in writing of the reason for denying the registry identification card.
P. A registry identification card for a transporter shall expire one (1) year after the date of issuance or upon notification from the holder of the transporter license that the transporter agent ceases to work as a transporter.

Q. The Department may revoke the registry identification card of a transporter agent who knowingly violates any provision of this section, and the transporter is subject to any other penalties established by law for the violation.

R. The Department may revoke or suspend the transporter license of a transporter that the Department determines knowingly aided or facilitated a violation of any provision of this section, and the licenseholder is subject to any other penalties established in law for the violation.

S. Vehicles used in the transport of medical marijuana, medical marijuana concentrate or medical marijuana products shall be:

1. Insured at or above the legal requirements in Oklahoma;
2. Capable of securing medical marijuana, medical marijuana concentrate or medical marijuana products during transport; and
3. In possession of a shipping container as defined in this act capable of securing all transported products.

T. Prior to the transport of any medical marijuana, medical marijuana concentrate or medical marijuana products, an inventory manifest shall be prepared at the origination point of the medical
marijuana. The inventory manifest shall include the following information:

1. For the origination point of the medical marijuana:
   a. the licensee number for the commercial grower, processor or dispensary,
   b. address of origination of transport, and
   c. name and contact information for the originating licensee;

2. For the end recipient license holder of the medical marijuana:
   a. the license number for the patient, caregiver, dispensary, commercial grower, processor, research facility or education facility destination,
   b. address of the destination, and
   c. name and contact information for the destination licensee;

3. Quantities by weight or unit of each type of medical marijuana product contained in transport;

4. The date of the transport and the approximate time of departure;

5. The arrival date and estimated time of arrival;

6. Printed names and signatures of the personnel accompanying the transport; and

7. Notation of the transporting licensee.
U. 1. A separate inventory manifest shall be prepared for each licensee receiving the medical marijuana.

2. The transporter agent shall provide the other medical marijuana business with a copy of the inventory manifest at the time the product changes hands and after the other licensee prints his or her name and signs the inventory manifest.

3. An inventory manifest shall not be altered after departing the originating premises other than in cases where the printed name and signature of receipt by the receiving licensee is necessary.

4. A receiving licensee shall refuse to accept any medical marijuana, medical marijuana concentrate or medical marijuana product that is not accompanied by an inventory manifest.

5. Originating and receiving licensees shall maintain copies of inventory manifests and logs of quantities of medical marijuana received for three (3) seven (7) years from date of receipt.

V. As used in this section, “private residence” means private premises where a person lives, such as a private dwelling place or place of habitation, and specifically excludes any premises located at a public or private school or on the campus of an institution of higher education.

SECTION 18. AMENDATORY Section 17, Chapter 11, O.S.L. 2019, as amended by Section 4, Chapter 312, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.17), is amended to read as follows:
Section 427.17. A. There is hereby created a medical marijuana testing laboratory license as a category of the medical marijuana business license. The Oklahoma Medical Marijuana Authority is hereby enabled to monitor, inspect and audit a licensed testing laboratory under this act the Oklahoma Medical Marijuana and Patient Protection Act.

B. The Authority is hereby authorized to contract with a private laboratory for the purpose of conducting compliance testing of medical marijuana testing laboratories licensed in this state. Any such laboratory under contract for compliance testing shall be prohibited from conducting any other commercial medical marijuana testing in this state.

C. The Authority shall have the authority to develop acceptable testing and research practices, including, but not limited to, testing, standards, quality control analysis, equipment certification and calibration, and chemical identification and substances used in bona fide research methods so long as it complies with this act.

D. A person who is a direct beneficial owner or an indirect beneficial owner of a medical marijuana dispensary, medical marijuana commercial grower, or medical marijuana processor shall not be an owner of a laboratory.
E. A laboratory and a laboratory applicant shall comply with all applicable local ordinances, including but not limited to zoning, occupancy, licensing and building codes.

F. A separate license shall be required for each specific laboratory.

G. A medical marijuana testing laboratory license may be issued to a person who performs testing and research on medical marijuana and medical marijuana products for medical marijuana businesses, medical marijuana research facilities, medical marijuana education facilities, and testing and research on marijuana and marijuana products grown or produced by a patient or caregiver on behalf of a patient, upon verification of registration. No state-approved medical marijuana testing facility shall operate unless a medical laboratory director is on site during operational hours.

H. A laboratory applicant shall comply with the application requirements of this section and shall submit such other information as required for a medical marijuana business applicant, in addition to any information the Authority may request for initial approval and periodic evaluations during the approval period.

I. A medical marijuana testing laboratory may accept samples of medical marijuana, medical marijuana concentrate or medical marijuana product from a medical marijuana business, research facility or education facility for testing and research purposes.
only, which purposes may include the provision of testing services for samples submitted by a medical marijuana business for product development. The Department may require a medical marijuana business to submit a sample of medical marijuana, medical marijuana concentrate or medical marijuana product to a medical marijuana testing or quality assurance laboratory upon demand.

J. A medical marijuana testing laboratory may accept samples of medical marijuana, medical marijuana concentrate or medical marijuana product from an individual person for testing only under the following conditions:

1. The individual person is a patient or caregiver pursuant to this act or is a participant in an approved clinical or observational study conducted by a research facility; and

2. The medical marijuana testing laboratory shall require the patient or caregiver to produce a valid patient license and current and valid photo identification.

K. A medical marijuana testing laboratory may transfer samples to another medical marijuana testing laboratory for testing. All laboratory reports provided to or by a medical marijuana business or to a patient or caregiver shall identify the medical marijuana testing laboratory that actually conducted the test.

L. A medical marijuana testing laboratory may utilize a licensed medical marijuana transporter to transport samples of medical marijuana, medical marijuana concentrate and medical
marijuana product for testing, in accordance with this act and the
rules adopted pursuant thereto, between the originating medical
marijuana business requesting testing services and the destination
laboratory performing testing services.

M. The medical marijuana testing laboratory shall establish
policies to prevent the existence of or appearance of undue
commercial, financial or other influences that may diminish the
competency, impartiality and integrity of the testing processes or
results of the laboratory, or that may diminish public confidence in
the competency, impartiality and integrity of the testing processes
or results of the laboratory. At a minimum, employees, owners or
agents of a medical marijuana testing laboratory who participate in
any aspect of the analysis and results of a sample are prohibited
from improperly influencing the testing process, improperly
manipulating data, or improperly benefitting from any ongoing
financial, employment, personal or business relationship with the
medical marijuana business that provided the sample.

N. The Department, pursuant to rules promulgated by the State
Commissioner of Health, shall develop standards, policies and
procedures as necessary for:

1. The cleanliness and orderliness of a laboratory premises and
the location of the laboratory in a secure location, and inspection,
cleaning and maintenance of any equipment or utensils used for the
analysis of test samples;
2. Testing procedures, testing standards for cannabinoid and terpenoid potency and safe levels of contaminants, and remediation procedures and validation procedures;

3. Controlled access areas for storage of medical marijuana and medical marijuana product test samples, waste and reference standards;

4. Records to be retained and computer systems to be utilized by the laboratory;

5. The possession, storage and use by the laboratory of reagents, solutions and reference standards;

6. A certificate of analysis (COA) for each lot of reference standard;

7. The transport and disposal of unused marijuana, marijuana products and waste;

8. The mandatory use by a laboratory of an inventory tracking system to ensure all test harvest and production batches or samples containing medical marijuana, medical marijuana concentrate or medical marijuana products are identified and tracked from the point they are transferred from a medical marijuana business, a patient or a caregiver through the point of transfer, destruction or disposal. The inventory tracking system reporting shall include the results of any tests that are conducted on medical marijuana, medical marijuana concentrate or medical marijuana product;

9. Standards of performance;
10. The employment of laboratory personnel;

11. A written standard operating procedure manual to be maintained and updated by the laboratory;

12. The successful participation in a Department-approved proficiency testing program for each testing category listed in this section, in order to obtain and maintain certification;

13. The establishment of and adherence to a quality assurance and quality control program to ensure sufficient monitoring of laboratory processes and quality of results reported;

14. The establishment by the laboratory of a system to document the complete chain of custody for samples from receipt through disposal;

15. The establishment by the laboratory of a system to retain and maintain all required records, including business records, and processes to ensure results are reported in a timely and accurate manner; and

16. Any other aspect of laboratory testing of medical marijuana or medical marijuana product deemed necessary by the Department.

O. A medical marijuana testing laboratory shall promptly provide the Department or designee of the Department access to a report of a test and any underlying data that is conducted on a sample at the request of a medical marijuana business or qualified patient. A medical marijuana testing laboratory shall also provide access to the Department or designee of the Department to laboratory
premises and to any material or information requested by the Department to determine compliance with the requirements of this section.

P. A medical marijuana testing laboratory shall retain all results of laboratory tests conducted on marijuana or products for a period of at least two (2) seven (7) years and shall make them available to the Department upon request.

Q. A medical marijuana testing laboratory shall test samples from each harvest batch or product batch, as appropriate, of medical marijuana, medical marijuana concentrate and medical marijuana product for each of the following categories of testing, consistent with standards developed by the Commissioner:

1. Microbials;
2. Mycotoxins;
3. Residual solvents;
4. Pesticides;
5. Tetrahydrocannabinol (THC) and other cannabinoid potency;
6. Terpenoid potency; and
7. Heavy metals.

R. A test batch shall not exceed ten (10) pounds of usable marijuana or medical marijuana product, as appropriate. A grower shall separate each harvest lot of usable marijuana into harvest batches containing no more than ten (10) pounds. A processor shall
separate each medical marijuana production lot into production batches containing no more than ten (10) pounds.

S. Medical marijuana testing laboratory licensure shall be contingent upon successful on-site inspection, successful participation in proficiency testing and ongoing compliance with the applicable requirements in this section.

T. A medical marijuana testing laboratory shall be inspected prior to initial licensure and annually up to two times per year thereafter by an inspector approved by the Authority Department. The Department may enter the licensed premises of a testing laboratory to conduct investigations and additional inspections when the Department believes an investigation or additional inspection is necessary due to a possible violation of applicable laws, rules or regulations.

U. Beginning on a date determined by the Commissioner, not later than January 1, 2020 2021, medical marijuana testing laboratory licensure shall be contingent upon accreditation by the NELAC Institute (TNI), ANSI/ASQ National Accreditation Board or another accrediting body approved by the Commissioner, and any applicable standards as determined by the Department.

V. A. Unless otherwise authorized by this section, a commercial grower shall not transfer or sell medical marijuana and a processor shall not transfer, sell or process into a concentrate or product any medical marijuana, medical marijuana concentrate or
medical marijuana product unless samples from each harvest batch or production batch from which that medical marijuana, medical marijuana concentrate or medical marijuana product was derived has been tested by a medical marijuana testing facility for contaminants and passed all contaminant tests required by this act the Oklahoma Medical Marijuana and Patient Protection Act and applicable laws, rules and regulations.

2. A commercial grower may transfer medical marijuana prior to testing or; that has failed testing to a processor only for the purposes of remediation and only in accordance with the Oklahoma Medical Marijuana and Patient Protection Act and the rules and regulations of the Department.

3. Growers and processors who achieve process validation under the rules and regulations set forth by the Department may transfer, sell or process medical marijuana and medical marijuana products in accordance with those rules and regulations.

SECTION 19. AMENDATORY Section 18, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.18), is amended to read as follows:

Section 427.18. A. An Oklahoma medical marijuana business shall not sell, transfer or otherwise distribute medical marijuana or medical marijuana product that has not been packaged and labeled in accordance with this section and rules promulgated by the State Commissioner of Health.
B. A medical marijuana dispensary shall return medical marijuana and medical marijuana product that does not meet packaging or labeling requirements in this section or rules promulgated pursuant thereto to the entity who transferred it to the dispensary. The medical marijuana dispensary shall document to whom the item was returned, what was returned and the date of the return or dispose of any usable marijuana that does not meet these requirements in accordance with this act the Oklahoma Medical Marijuana and Patient Protection Act.

C. 1. Medical marijuana packaging shall be packaged to minimize its appeal to children and shall not depict images other than the business name logo of the medical marijuana producer and image of the product.

   2. A medical marijuana business shall not place any content on a container in a manner that reasonably appears to target individuals under the age of twenty-one (21), including but not limited to cartoon characters or similar images.

   3. Labels on a container shall not include any false or misleading statements.

   4. No container shall be intentionally or knowingly labeled so as to cause a reasonable patient confusion as to whether the medical marijuana, medical marijuana concentrate or medical marijuana product is a trademarked product or labeled in a manner that violates any federal trademark law or regulation.
5. The label on the container shall not make any claims regarding health or physical benefits to the patient.

6. All medical marijuana, medical marijuana concentrate and medical marijuana products sold at a medical marijuana dispensary shall be packaged in a child-resistant container at the point of transfer to the patient or caregiver.

D. The State Department of Health shall develop minimum standards for packaging and labeling of medical marijuana and medical marijuana products. Such standards shall include, but not be limited to, the required contents of labels to be affixed to all medical marijuana and medical marijuana products prior to transfer to a licensed patient or caregiver, which shall include, at a minimum:

1. A universal symbol indicating that the product contains tetrahydrocannabinol (THC);

2. THC and other cannabinoid potency, and terpenoid potency;

3. A statement indicating that the product has been tested for contaminants;

4. One or more product warnings to be determined by the Department; and

5. Any other information the Department deems necessary.

SECTION 20. AMENDATORY Section 19, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.19), is amended to read as follows:
Section 427.19. A. A medical marijuana research license may be issued to a person to grow, cultivate, possess and transfer, by sale or donation, marijuana pursuant to the Oklahoma Medical Marijuana and Patient Protection Act for the limited research purposes identified in this section.

B. The annual fee for a medical marijuana research license shall be Five Hundred Dollars ($500.00) and shall be payable by an applicant for a medical marijuana research license upon submission of his or her application to the Authority.

C. A medical marijuana research license may be issued for the following research purposes:

1. To test chemical potency and composition levels;
2. To conduct clinical investigations of marijuana-derived medicinal products;
3. To conduct research on the efficacy and safety of administering marijuana as part of medical treatment;
4. To conduct genomic, horticultural or agricultural research; and
5. To conduct research on marijuana-affiliated products or systems.

D. 1. As part of the application process for a medical marijuana research license, an applicant shall submit to the Authority a description of the research that the applicant intends to conduct and whether the research will be conducted with a public
institution or using public money. If the research will not be conducted with a public institution or with public money, the Authority shall grant the application if it determines that the applicant meets the criteria in this section.

2. If the research will be conducted with a public institution or public money, the Department shall review the research project of the applicant to determine if it meets the requirements of this section and to assess the following:

   a. the quality, study design, value or impact of the project,

   b. whether the applicant has the appropriate personnel, expertise, facilities, infrastructure, funding and human, animal or other approvals in place to successfully conduct the project, and

   c. whether the amount of marijuana to be grown by the applicant is consistent with the scope and goals of the project.

3. If the Authority determines that the research project does not meet the requirements of this section or assesses the criteria to be inadequate, the application shall be denied.

E. A medical marijuana research licensee may only transfer, by sale or donation, marijuana grown within its operation to other medical marijuana research licensees. The Department may revoke a medical marijuana research license for violations of this section
and any other violation of the Oklahoma Medical Marijuana and Patient Protection Act.

F. A medical marijuana research licensee may contract to perform research in conjunction with a public higher education research institution or another medical marijuana research licensee.

G. The growing, cultivating, possessing or transferring, by sale or donation, of marijuana in accordance with this section and the rules promulgated pursuant thereto, by a medical marijuana research licensee shall not be a criminal or civil offense under state law. A medical marijuana research license shall be issued in the name of the applicant and shall specify the location in Oklahoma at which the medical marijuana research licensee intends to operate. A medical marijuana research licensee shall not allow any other person to exercise the privilege of the license.

H. If the research conducted includes a public institution or public money, the Authority shall review any reports made by medical marijuana research licensees under state licensing authority rule and provide the Authority with its determination on whether the research project continues to meet research qualifications pursuant to this section.

SECTION 21. AMENDATORY Section 20, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.20), is amended to read as follows:
Section 427.20. A. There is hereby created a medical marijuana education facility license.

B. A medical marijuana education facility license may be issued to a person to possess or cultivate marijuana for the limited education and research purposes identified in this section.

C. A medical marijuana education facility license may only be granted to a not-for-profit organization structured under Section 501(c)(3) of the Internal Revenue Code, operating as an Oklahoma not-for-profit registered organization with the Office of the Secretary of State.

D. A medical marijuana education facility license may only be granted upon the submission of an annual fee of Five Hundred Dollars ($500.00) to the Authority.

E. A medical marijuana education facility license may be issued for the following education and research purposes:

1. To test cultivation techniques, strategies, infrastructure, mediums, lighting and other related technology;

2. To demonstrate cultivation techniques, strategies, infrastructure, mediums, lighting and other related technology;

3. To demonstrate the application and use of product manufacturing technologies;

4. To conduct genomic, horticultural or agricultural research; and
5. To conduct research on marijuana-affiliated products or systems.

F. As part of the application process for a medical marijuana education facility license, an applicant shall submit to the Authority a description of the project and curriculum that the applicant intends to conduct and whether the project and curriculum will be conducted with a public institution or using public money. If the research project and curriculum will not be conducted with a public institution or with public money, the Authority shall grant the application. If the research will be conducted with a public institution or public money, the Authority shall review the research project of the applicant to determine if it meets the requirements of this section and to assess the following:

1. The quality, study design, value or impact of the project;
2. Whether the applicant has the appropriate personnel, expertise, facilities, infrastructure, funding, and human, animal or other approvals in place to successfully conduct the project; and
3. Whether the amount of marijuana to be grown by the applicant is consistent with the scope and goals of the project.

If the Authority determines that the education project does not meet the requirements of this section or assesses the criteria to be inadequate, the application shall be denied.

G. A medical marijuana education facility licensee may only transfer, by sale or donation, marijuana grown within its operation
to medical marijuana research licensees. The Department may revoke a medical marijuana education facility license for violations of this section and any other violation of this act applicable laws, rules and regulations.

H. A medical marijuana education facility licensee may contract to perform research in conjunction with a public higher education research institution or another research licensee.

I. The growing, cultivating, possessing or transferring, by sale or donation, of marijuana in accordance with this section and the rules promulgated pursuant thereto, by a medical marijuana education facility licensee shall not be a criminal or civil offense under state law. A medical marijuana education facility license shall be issued in the name of the applicant and shall specify the location in Oklahoma at which the medical marijuana education facility licensee intends to operate. A medical marijuana education facility licensee shall not allow any other person to exercise the privilege of the license.

SECTION 22. AMENDATORY Section 22, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.22), is amended to read as follows:

Section 427.22. A. All patient and caregiver records and information, including, without limitation, an application or renewal and supporting information submitted by a qualifying patient or designated caregiver under the provisions of this act including,
the Oklahoma Medical Marijuana and Patient Protection Act and information regarding the physician of the qualifying patient, shall be considered confidential medical records that are exempt from the Oklahoma Open Records Act.

B. The dispensary records with patient information shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

C. All financial information provided by an applicant in its application to the Authority or licensee shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

D. All information provided by an applicant or licensee that constitutes private business information shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

E. As used in this section, “private business information” means information that, if disclosed, would give advantage to competitors or bidders including, but not limited to, information related to the planning, site location, operations, strategy, or product development and marketing of an applicant, unless approval for release of those records is granted by the business.

F. All monthly reports, inventory tracking and seed-to-sale information, data and records submitted to the Oklahoma Medical
Marijuana Authority shall be treated as confidential and are exempt from the Oklahoma Open Records Act.

G. Except for license information concerning licensed patients, the Authority may share confidential information with the Oklahoma Tax Commission to assist the Oklahoma Tax Commission in ensuring compliance with applicable laws, rules and regulations.

SECTION 23. AMENDATORY Section 23, Chapter 11, O.S.L. 2019, as amended by Section 11, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.23), is amended to read as follows:

Section 427.23. A. The State Commissioner of Health, the Oklahoma Tax Commission, the State Treasurer, the Secretary of State and the Director of the Office of Management and Enterprise Services shall promulgate rules to implement the provisions of the Oklahoma Medical Marijuana and Patient Protection Act.

B. The Food Safety Standards Board Medical Marijuana Advisory Council, in addition to the powers and duties granted in Section 423 of Title 63 of the Oklahoma Statutes this title, may recommend to the State Commissioner of Health rules relating to all aspects of regarding the safe cultivation and manufacture manufacturing of medical marijuana products. In addition to the twelve members required in Section 423 of this title, the State Department of Health may appoint up to eight additional members. The makeup of the Medical Marijuana Advisory Council shall include medical marijuana industry representation.
SECTION 24. NEW LAW  A new section of law to be codified in the Oklahoma Statutes as Section 427.24 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Whenever an authorized agent of the State Department of Health finds, in whole or in part, that:

1. Any medical marijuana or medical marijuana product fails to meet the requirements of Sections 420 through 426.1 of Title 63 of the Oklahoma Statutes and the Oklahoma Medical Marijuana and Patient Protection Act, as it relates to health and safety;

2. The medical marijuana or medical marijuana product is handled in violation of applicable laws or rules and regulations of the Department; or

3. The medical marijuana or medical marijuana product may be poisonous, deleterious to health or is otherwise unsafe:

A tag or other appropriate marking shall be affixed to the medical marijuana or medical marijuana product. The tag or other appropriate marking shall give notice that the medical marijuana or medical marijuana product is or is suspected of being manufactured, produced, transferred, sold or offered for sale in violation of applicable laws or rules and regulations of the Department. The tag or other appropriate marking shall also give notice that the medical marijuana or medical marijuana product is embargoed and shall provide a warning that all persons shall be prohibited from removing or disposing of the medical marijuana or medical marijuana product.
until permission for removal or disposal is given by the State Commissioner of Health. It shall be unlawful for any person to remove or dispose of the embargoed medical marijuana or medical marijuana product without permission.

B. 1. If the Commissioner finds that medical marijuana or medical marijuana product embargoed pursuant to subsection A of this section does not meet the requirements of applicable laws or rules and regulations of the Department, or is poisonous, deleterious to health or otherwise unsafe, the Commissioner may institute an action in the district court, in whose jurisdiction the medical marijuana or medical marijuana product is embargoed, for the condemnation and destruction of the medical marijuana or medical marijuana product.

2. If the Commissioner later finds that the embargoed medical marijuana or medical marijuana product does meet the requirements of applicable laws and rules and regulations of the Department and is not poisonous, deleterious to health or otherwise unsafe, the Commissioner shall remove the embargo.

3. In any court proceeding regarding an embargo, the State Department of Health, the Oklahoma Medical Marijuana Authority and the State Commissioner of Health shall not be held liable if the court finds reasonable belief for the embargo.

C. If the court finds that the embargoed medical marijuana or medical marijuana product, in whole or in part, is in violation of any applicable laws or Department rules or regulations or is
poisonous, deleterious to health, or otherwise unsafe, the medical
marijuana or medical marijuana product shall be destroyed under the
supervision of the Commissioner and at the expense of the owner or
defendant. All court costs, fees, cost of storage and other proper
expenses shall be paid by the owner or defendant of the medical
marijuana or medical marijuana product. The court may order that
the medical marijuana or medical marijuana product be delivered to
the owner or defendant for appropriate labeling or processing under
the supervision of the Commissioner if:

1. The violation can be corrected by proper processing of the
medical marijuana or medical marijuana product;
2. All costs, fees and expenses have been paid; and
3. A sufficient bond is executed and conditioned for
appropriate labeling or processing as the court may require.

The expense of supervision shall be paid to the Commissioner by the
person obtaining release of the medical marijuana or medical
marijuana product under bond.

SECTION 25. AMENDATORY Section 2, Chapter 337, O.S.L.
2019 (63 O.S. Supp. 2019, Section 428.1), is amended to read as
follows:

Section 428.1. As used in this act the Oklahoma Medical
Marijuana Waste Management Act:

1. “Authority” shall mean the Oklahoma Medical Marijuana
Authority, or successor agency;

SECTION 26. AMENDATORY Section 3, Chapter 337, O.S.L. 2019 (63 O.S. Supp. 2019, Section 429), is amended to read as follows:

Section 429. A. Medical marijuana waste shall be subject to the provisions of this act the Oklahoma Medical Marijuana Waste Management Act and shall not be subject to the provisions of the Uniform Controlled Dangerous Substances Act. Nothing in this act the Oklahoma Medical Marijuana Waste Management Act shall alter or affect the jurisdictional areas of environmental responsibility of the Department of Environmental Quality as provided for in Title 27A of the Oklahoma Statutes.

B. Commercial licensees, medical marijuana research facilities and medical marijuana education facilities shall be authorized to destroy the following marijuana plant parts without being required to utilize the services of a medical marijuana waste disposal facility:

1. Root balls Roots;
2. Stems;
3. Fan leaves; and

4. Seeds; and

5. Stalks.

Unless restricted by local ordinance, commercial licensees, medical marijuana research facilities and medical marijuana education facilities shall be authorized to destroy the above-listed marijuana plant parts on-site by open burning, incineration, burying, mulching, composting or any other technique approved by the Department of Environmental Quality.

C. Commercial licensees, medical marijuana research facilities and medical marijuana education facilities engaged in the disposal of medical marijuana waste shall create and maintain documentation on a form prescribed by the Oklahoma Medical Marijuana Authority that includes precise weights or counts of medical marijuana waste and the manner in which the medical marijuana waste is disposed. Such documentation shall contain a witness affidavit and signature attesting to the lawful disposal of the medical marijuana waste under penalty of perjury. All disposal records shall be maintained by commercial licensees, medical marijuana research facilities and medical marijuana educational facilities for a period of five (5) years and shall be subject to inspection and auditing by the Authority.
SECTION 27. AMENDATORY Section 4, Chapter 337, O.S.L.  2019 (63 O.S. Supp. 2019, Section 430), is amended to read as follows:

Section 430. A. There is hereby created and authorized a medical marijuana waste disposal license. A person or entity in possession of a medical marijuana waste disposal license shall be entitled to possess, transport and dispose of medical marijuana waste. No person or entity shall possess, transport or dispose of medical marijuana waste without a valid medical marijuana waste disposal license. The Oklahoma Medical Marijuana Authority shall issue licenses upon proper application by a licensee and determination by the Authority that the proposed site and facility are physically and technically suitable. Upon a finding that a proposed medical marijuana waste disposal facility is not physically or technically suitable, the Authority shall deny the license. The Authority may, upon determining that public health or safety requires emergency action, issue a temporary license for treatment or storage of medical marijuana waste for a period not to exceed ninety (90) days. The Authority shall not, for the first year of the licensure program until November 1, 2020, issue more than ten licenses. Upon the conclusion of the first year, the Authority shall assess the need for additional licenses and shall, if demonstrated, increase Beginning November 1, 2020, there shall be no
limit to the number of medical marijuana waste disposal licenses as deemed necessary issued by the Authority.

B. Entities applying for a medical marijuana waste disposal license shall undergo the following screening process:

1. Complete an application form, as prescribed by the Authority, which shall include:
   a. an attestation that the applicant is authorized to make application on behalf of the entity,
   b. full name of the organization,
   c. trade name, if applicable,
   d. type of business organization,
   e. complete mailing address,
   f. an attestation that the commercial entity will not be located on tribal land,
   g. telephone number and email address of the entity, and
   h. name, residential address and date of birth of each owner and each member, manager and board member, if applicable;

2. The application for a medical marijuana waste disposal license made by an individual on his or her own behalf shall be on the form prescribed by the Authority and shall include, but not be limited to:
   a. the first, middle and last name of the applicant and suffix, if applicable,
b. the residence address and mailing address of the applicant,

c. the date of birth of the applicant,

d. the preferred telephone number and email address of the applicant,

3. Each application shall be accompanied by the following documentation:

   a. a list of all persons or entities that have an ownership interest in the entity,

   b. a certificate of good standing from the Oklahoma Secretary of State, if applicable,

   c. an Affidavit of Lawful Presence for each owner,

   d. proof that the proposed location of the disposal facility is at least one thousand (1,000) feet from a public or private school. The distance indicated in this subparagraph shall be measured from any entrance the nearest property line of the public or private school to the nearest property line point front entrance of the disposal facility. If any public or
private school is established within one thousand (1,000) feet of any disposal facility after such disposal facility has been licensed, the provisions of this subparagraph shall not be a deterrent to the renewal of such license or warrant revocation of the license, and

e. documents establishing the applicant, the members, managers and board members, if applicable, and seventy-five percent (75%) of the ownership interests are Oklahoma residents as established in Section 420 et seq. of Title 63 of the Oklahoma Statutes of this title, as it relates to proof of residency.

C. No license shall be issued except upon proof of sufficient liability insurance and financial responsibility. Liability insurance shall be provided by the applicant and shall apply to sudden and nonsudden bodily injury or property damage on, below or above the surface, as required by the rules of the Authority. Such insurance shall be maintained for the period of operation of the facility and shall provide coverage for damages resulting from operation of the facility during operation and after closing. In lieu of liability insurance required by this subsection, an equivalent amount of cash, securities, bond or alternate financial assurance, of a type and in an amount acceptable to the Authority, may be substituted; provided, that such deposit shall be maintained
for a period of five (5) years after the date of last operation of the facility.

D. Submission of an application for a medical marijuana waste disposal license shall constitute permission for entry to and inspection of the facility of the licensee during hours of operation and other reasonable times. Refusal to permit such entry of inspection shall constitute grounds for the nonrenewal, suspension or revocation of a license. The Authority may perform an annual unannounced on-site inspection of the operations and any facility of the licensee. If the Authority receives a complaint concerning noncompliance by a licensee with the provisions of the Oklahoma Medical Marijuana and Patient Protection Act, the Authority may conduct additional unannounced, on-site inspections beyond an annual inspection. The Authority shall refer all complaints alleging criminal activity that are made against a licensed facility to appropriate state or local law enforcement authorities.

E. The Authority shall issue an annual permit for each medical marijuana waste disposal facility operated by a licensee. A permit shall be issued only upon proper application by a licensee and determination by the Authority that the proposed site and facility are physically and technically suitable. Upon a finding that a proposed medical marijuana waste disposal facility is not physically or technically suitable, the Authority shall deny the permit. The Authority shall have the authority to revoke a permit
upon a finding that the site and facility are not physically and
technically suitable for processing. The Authority may, upon
determining that public health or safety requires emergency action,
issue a temporary permit for treatment or storage of medical
marijuana waste for a period not to exceed ninety (90) days.

F. The cost of a medical marijuana waste disposal license shall
be Five Thousand Dollars ($5,000.00) for the initial license. The
cost of a medical marijuana waste disposal facility permit shall be
Five Hundred Dollars ($500.00). A medical marijuana waste disposal
facility permit that has been revoked shall be reinstated upon
remittance of a reinstatement fee of Five Hundred Dollars ($500.00)
to restore the facility permit. All license and permit fees shall
be deposited into the Public Health Special Fund Oklahoma Medical
Marijuana Authority Revolving Fund as provided in Section 1-107
427.5 of Title 63 of the Oklahoma Statutes this title.

G. The holder of a medical marijuana waste disposal license
shall not be required to obtain a medical marijuana transporter
license provided for in the Oklahoma Medical Marijuana and Patient
Protection Act for purposes of transporting medical marijuana waste.

H. All commercial licensees, as defined in Section 2 428.1 of
this act title, shall utilize a licensed medical marijuana waste
disposal service to process all medical marijuana waste generated by
the licensee.
I. The State Commissioner of Health shall promulgate rules for
the implementation of this act. Promulgated rules shall address
disposal process standards, site security and any other subject
matter deemed necessary by the Authority.

SECTION 28. It being immediately necessary for the preservation
of the public peace, health or safety, an emergency is hereby
declared to exist, by reason whereof this act shall take effect and
be in full force from and after its passage and approval."

Section 420. A. A person in possession of a state-issued medical marijuana license shall be able to:

1. Consume marijuana legally;

2. Legally possess up to three (3) ounces (84.9 grams) of marijuana on their person;

3. Legally possess six (6) mature marijuana plants;

4. Legally possess six (6) seedling plants;

5. Legally possess one (1) ounce (28.3 grams) of concentrated marijuana;

6. Legally possess seventy-two (72) ounces (2,037.6 grams) of edible marijuana; and

7. Legally possess up to eight (8) ounces (226.4 grams) of marijuana in their residence.
B. Possession of up to one and one-half (1.5) ounces (42.45 grams) of marijuana by persons who can state a medical condition, but not in possession of a state-issued medical marijuana license, shall constitute a misdemeanor offense punishable by a fine not to exceed Four Hundred Dollars ($400.00) and shall not be subject to imprisonment for the offense. Any law enforcement officer who comes in contact with a person in violation of this subsection and who is satisfied as to the identity of the person, as well as any other pertinent information the law enforcement officer deems necessary, shall issue to the person a written citation containing a notice to answer the charge against the person in the appropriate court. Upon receiving the written promise of the alleged violator to answer as specified in the citation, the law enforcement officer shall release the person upon personal recognizance unless there has been a violation of another provision of law.

C. A regulatory office shall be established under the State Department of Health which shall receive applications for medical marijuana license recipients, dispensaries, growers, and packagers within sixty (60) days of the passage of this initiative.

D. The State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana license. The license shall be good for two (2) years. The biannual application fee shall be One Hundred Dollars ($100.00), or Twenty
Dollars ($20.00) for individuals on Medicaid, Medicare or SoonerCare. The methods of payment shall be provided on the website.

E. A temporary license application shall also be available on the website of the State Department of Health. A temporary medical marijuana license shall be granted to any medical marijuana license holder from other states, provided that the state has a state regulated medical marijuana program, and the applicant can prove he or she is a member of such. Temporary licenses shall be issued for thirty (30) days. The cost for a temporary license shall be One Hundred Dollars ($100.00). Renewal will be granted with resubmission of a new application. No additional criteria shall be required.

F. Medical marijuana license applicants shall submit his or her application to the State Department of Health for approval. The applicant must be a resident of Oklahoma and shall prove residency by a valid driver license, utility bills, or other accepted methods.

G. The State Department of Health shall review the medical marijuana application, approve or reject or deny the application, and mail the approval or rejection or denial letter to the applicant stating any reasons for rejection or denial to the applicant within fourteen (14) business days of receipt of the application. Approved applicants shall be issued a medical marijuana license which will act as proof of his or her approved
status. Applications may only be rejected or denied based on the applicant not meeting stated criteria or improper completion of the application.

H. The State Department of Health shall only keep the following records for each approved medical license:

1. A digital photograph of the license holder;
2. The expiration date of the license;
3. The county where the card was issued; and
4. A unique 24-character identification number assigned to the license.

I. The State Department of Health shall make available, both on its website, and through a telephone verification system, an easy method to validate the authenticity of a medical marijuana license by the unique 24-character identification number.

J. The State Department of Health shall ensure that all medical marijuana patient and caregiver records and information are sealed to protect the privacy of medical marijuana license applicants.

K. A caregiver license shall be made available for qualified caregivers of a medical marijuana license holder who is homebound. As provided in Section 11 of Enrolled House Bill No. 2612 427.11 of the 1st Session of the 57th Oklahoma Legislature this title, the caregiver license shall provide the caregiver the same rights as the medical marijuana patient licensee, including the ability to possess
marijuana, marijuana products and mature and immature plants pursuant to the Oklahoma Medical Marijuana and Patient Protection Act, but excluding the ability to use marijuana or marijuana products unless the caregiver has a medical marijuana patient license. Applicants for a caregiver license shall submit proof of the license status and homebound status of the medical marijuana license holder, that the caregiver is the designee of the medical marijuana license holder, that the caregiver is eighteen (18) years of age or older, and that the caregiver is an Oklahoma resident. This shall be the only criteria for a caregiver license.

L.  All applicants must be eighteen (18) years of age or older. A special exception shall be granted to an applicant under the age of eighteen (18), however these applications must be signed by two (2) physicians and the parent or legal guardian of the applicant.

M.  All applications for a medical marijuana license shall be signed by an Oklahoma physician. There are no qualifying conditions. A medical marijuana license must be recommended according to the accepted standards a reasonable and prudent physician would follow when recommending or approving any medication. No physician may be unduly stigmatized or harassed for signing a medical marijuana license application.

M.  A medical marijuana patient who attempts to renew his or her license more than thirty (30) days after expiration of the
license shall pay a late renewal fee in an amount to be determined by the Department to reinstate the license. Late renewal fees are nonrefundable. A license that has been expired for more than ninety (90) days shall not be reinstated.

N. Counties and cities may enact medical marijuana guidelines allowing medical marijuana license holders or caregivers to exceed the state limits set forth in subsection A of this section.

If the federal government lifts restrictions on buying and selling marijuana between states, then a licensed commercial grower would be allowed to sell and buy marijuana wholesale from, or to, an out of state wholesale provider. A licensed commercial grower shall be required to complete a monthly yield and sales report to the Oklahoma State Department of
Health. This report will be due on the 15th of each month and provide reporting on the previous month. The report will detail the amount of marijuana harvested in pounds, the amount of drying or dried marijuana on hand, the amount of marijuana sold to processors in pounds, the amount of waste in pounds, and the amount of marijuana sold to retailers in the pounds. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown by the licensed commercial grower is accounted for. A licensed grower will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting or sales occurring within any 2 year period will be an initial fine of Five Thousand Dollars ($5,000.00) (first) and revocation of licensing (second).

D. There shall be no limits on how much marijuana a licensed commercial grower can grow.

SECTION 32. AMENDATORY Section 4, State Question No. 788, Initiative Petition No. 412 (63 O.S. Supp. 2019, Section 423), is amended to read as follows:

Section 423. A. The Oklahoma State Department of Health shall, within thirty (30) days of passage of this initiative, make available on their website in an easy-to-find location an application for a medical marijuana processing license. The
application fee shall be Two Thousand Five Hundred Dollars ($2,500.00) and methods. A method of payment will be provided on the website. The Oklahoma State Department of Health shall have two (2) weeks ninety (90) business days to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected stating reasons for rejection) or denial to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant The applicant must be age twenty-five (25) years of age or older;

2. Any The applicant, applying as an individual, must show residency in the State of Oklahoma;

3. All applying entities must show that all members, managers, and board members are Oklahoma residents;

4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);

5. All applying individuals or entities must be registered to conduct business in the State of Oklahoma; and

6. All applicants must disclose all ownership.

7. Applicant(s) Applicants with only a nonviolent felony conviction(s) conviction in the last two (2) years, any other felony conviction in the last five (5) years, inmates in the
custody of the Department of Corrections, or any person currently incarcerated may not qualify for a medical marijuana processing license.

C. A licensed processor may take marijuana plants and distill or process these plants into concentrates, edibles, and other forms for consumption. As required by subsection D of this section, the Oklahoma State Department of Health will, within sixty (60) days of passage of this initiative, make available a set of standards which will be used by licensed processors in the preparation of edible marijuana products. This should be in line with current food preparation guidelines. No excessive or punitive rules may be established by the Oklahoma State Department of Health. Once a year, the Oklahoma State Department of Health may inspect a processing operation and determine its compliance with the preparation standards. If deficiencies are found, a written report of deficiency will be issued to the processor. The processor will have one (1) month to correct the deficiency or be subject to a fine of Five Hundred Dollars ($500.00) for each deficiency. A licensed processor may sell marijuana products it creates to a licensed retailer, dispensary, or any other licensed processor. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed processor sell marijuana or any marijuana product directly to a licensed medical marijuana license holder.
However, a licensed processor may process cannabis into a concentrated form for a licensed medical license holder, marijuana patient for a fee. Processors will be required to complete a monthly yield and sales report to the Oklahoma State Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail the amount of marijuana purchased in pounds, the amount of marijuana cooked or processed in pounds, and the amount of waste in pounds. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed processor will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars ($5,000.00) (first) and revocation of licensing (second).

D. The Department shall oversee inspection and compliance of processors producing products with marijuana as an additive. The Oklahoma State Department of Health will be compelled to, within thirty (30) days of passage of this initiative, appoint a board of twelve Oklahoma residents to the Council, who are marijuana industry experts, to create a list of food safety standards for processing and handling medical marijuana in Oklahoma.
These standards will shall be adopted by the agency and the agency can enforce these standards for licensed processors. The agency will shall develop a standards review procedure and these standards can be altered by calling another board council of twelve (12) Oklahoma marijuana industry experts. A signed letter of twenty (20) operating licensed processors would shall constitute a need for a new board council and standard standards review.

E. If it becomes permissible under federal law, marijuana may be moved across state lines.

F. Any device used for the consumption of medical marijuana shall be considered legal to be sold, manufactured, distributed, and possessed. No merchant, wholesaler, manufacturer, or individual may unduly be unduly harassed or prosecuted for selling, manufacturing, or possession of medical possessing marijuana paraphernalia.

SECTION 33. AMENDATORY Section 6, State Question No. 788, Initiative Petition No. 412, as amended by Section 3, Chapter 509, O.S.L. 2019 (63 O.S. Supp. 2019, Section 425), is amended to read as follows:

Section 425. A. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for his or her status as a medical marijuana license holder, unless failing to do so would cause the school or landlord the potential to lose a monetary or licensing-related benefit under federal law or regulations.
B. Unless a failure to do so would cause an employer the potential to lose a monetary or licensing-related benefit under federal law or regulations, an employer may not discriminate against a person in hiring, termination or imposing any term or condition of employment or otherwise penalize a person based upon either:

1. The status of the person as a medical marijuana license holder; or

2. Employers may take action against a holder of a medical marijuana license if the holder uses or possesses marijuana while in his or her place of employment or during the hours of employment. Employers may not take action against the holder of a medical marijuana license solely based upon the status of an employee as a medical marijuana license holder or the results of a drug test showing positive for marijuana or its components.

C. For the purposes of medical care, including organ transplants, the authorized use of marijuana by a medical marijuana license holder shall be considered the equivalent of the use of any other medication under the direction of a physician and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

D. No medical marijuana license holder may be denied custody of or visitation or parenting time with a minor, and there is no presumption of neglect or child endangerment for conduct allowed
under this law, unless the behavior of the person creates an
unreasonable danger to the safety of the minor.

E. No person holding a medical marijuana license may unduly be
withheld from holding a state-issued license by virtue of their
being a medical marijuana license holder including, but not limited
to, a concealed carry permit.

F. 1. No city or local municipality may unduly change or
restrict zoning laws to prevent the opening of a retail marijuana
establishment.

2. For purposes of this subsection, an undue change or
restriction of municipal zoning laws means an act which entirely
prevents retail marijuana establishments from operating within
municipal boundaries as a matter of law. Municipalities may follow
their standard planning and zoning procedures to determine if
certain zones or districts would be appropriate for locating
marijuana-licensed premises, medical marijuana businesses or any
other premises where marijuana or its by-products are cultivated,
grown, processed, stored or manufactured.

3. For purposes of this section, "retail marijuana
establishment" means an entity licensed by the State Department of
Health as a medical marijuana dispensary. Retail marijuana
establishment does not include those other entities licensed by the
Department as marijuana-licensed premises, medical marijuana
businesses or other facilities or locations where marijuana or any
product containing marijuana or its by-products are cultivated, grown, processed, stored or manufactured.

G. The location of any retail marijuana establishment is specifically prohibited within one thousand (1,000) three hundred (300) feet of any public or private school entrance. Upon the effective date of this act, the distance indicated in this subsection shall be measured from the nearest property line of the public or private school to the front entrance of the retail marijuana establishment. If any public or private school is established within three hundred (300) feet of any retail marijuana establishment after such retail marijuana establishment has been licensed, the provisions of this section shall not be a deterrent to the renewal of such license or warrant revocation of the license.

H. Research shall be provided for under this law. A researcher may apply to the State Department of Health for a special research license. The license shall be granted, provided the applicant meets the criteria listed under subsection B of Section 421 of this title in the Oklahoma Medical Marijuana and Patient Protection Act. Research license holders shall be required to file monthly consumption reports to the State Department of Health with amounts of marijuana used for research.

SECTION 34. AMENDATORY Section 4, Chapter 509, O.S.L. 2019 (63 O.S. Supp. 2019, Section 426.1), is amended to read as follows:
Section 426.1  A. Except for revocation hearings concerning licensed patients, as defined in Section 2 427.2 of Enrolled House Bill No. 2612 of the 1st Session of the 57th Oklahoma Legislature this title, all licensure revocation hearings conducted pursuant to marijuana licenses established in the Oklahoma Statutes shall be recorded. A party may request a copy of the recording of the proceedings. Copies shall be provided to local law enforcement if the revocation was based on alleged criminal activity.

B. The State Department of Health shall assist any law enforcement officer in the performance of his or her duties upon such request by the law enforcement officer or the request of other local officials having jurisdiction. Except for license information concerning licensed patients, as defined in Section 2 427.2 of Enrolled House Bill No. 2612 of the 1st Session of the 57th Oklahoma Legislature this title, the Department shall share information with law enforcement agencies upon request without a subpoena or search warrant.

C. The State Department of Health shall make available all information displayed on medical marijuana licenses, as well as whether or not the license is valid, to law enforcement electronically through the Oklahoma Law Enforcement Telecommunications System.

D. The Department shall make available to Oklahoma state agencies and political subdivisions a list of marijuana-licensed
premises, medical marijuana businesses or any other premises where marijuana or its by-products are licensed to be cultivated, grown, processed, stored or manufactured to aid Oklahoma state, county and municipal governments in identifying locations within their jurisdiction and ensure ensuring compliance with local applicable laws, rules and regulations.

E. All marijuana-licensed premises, medical marijuana businesses or any other premises where marijuana or its by-products are licensed to be cultivated, grown, processed, stored or manufactured shall submit with their the application or request to change location, after notifying the political subdivision of their intent, a certificate of compliance from the political subdivision where the facility or use of the applicant or use licensee is to be located certifying compliance with zoning classifications, applicable municipal ordinances and all applicable safety, electrical, fire, plumbing, waste, construction and building specification codes.

SECTION 35. AMENDATORY Section 2, Chapter 11, O.S.L. 2019, as last amended by Section 1, Chapter 390, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.2), is amended to read as follows:

SECTION 36. AMENDATORY Section 3, Chapter 11, O.S.L. 2019, as amended by Section 6, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.3), is amended to read as follows:

Section 427.3 A. There is hereby created the Oklahoma Medical Marijuana Authority within the State Department of Health which shall address issues related to the medical marijuana program in Oklahoma including, but not limited to, the issuance of patient
licenses and medical marijuana business licenses, and the
dispensing, cultivating, processing, testing, transporting, storage,
research, and the use of and sale of medical marijuana pursuant to
this act.

B. The Department shall provide support staff to perform
designated duties of the Authority. The Department shall also
provide office space for meetings of the Authority.

C. The Department shall implement the provisions of this act
consistently with the voter-approved State Question No. 788,
Initiative Petition No. 412, subject to the provisions of this act.

D. The Department shall exercise its respective powers and
perform its respective duties and functions as specified in this act
and Title 63 of the Oklahoma Statutes this title including, but not
limited to, the following:

1. Determine steps the state shall take, whether administrative
or legislative in nature, to ensure that research on marijuana and
marijuana products is being conducted for public purposes, including
the advancement of:

   a. public health policy and public safety policy,
   b. agronomic and horticultural best practices, and
   c. medical and pharmacopoeia best practices;

2. Contract with third-party vendors and other governmental
entities in order to carry out the respective duties and functions
as specified in this act;
3. Upon complaint or upon its own motion and upon a completed investigation, levy fines as prescribed in this act, applicable laws, rules and regulations and suspend or, revoke or not renew licenses pursuant to this act, applicable laws, rules and regulations;

4. Issue subpoenas for the appearance or production of persons, records and things in connection with disciplinary or contested cases considered by the Department;

6. Inspect and examine, with notice provided in accordance with this act, all licensed premises of medical marijuana businesses, research facilities and education facilities and waste disposal facilities in which medical marijuana is cultivated, manufactured, sold, stored, transported, tested or, distributed or disposed;

7. Upon action by the federal government by which the production, sale and use of marijuana in Oklahoma does not violate federal law, work with the Oklahoma State Banking Department and the State Treasurer to develop good practices and standards for banking and finance for medical marijuana businesses;

8. Establish internal control procedures for licenses including accounting procedures, reporting procedures and personnel policies;

9. Establish a fee schedule and collect fees for performing background checks as the Commissioner deems appropriate. The fees
charged pursuant to this paragraph shall not exceed the actual cost incurred for each background check; and

10. Require verification for sources of finance for medical marijuana businesses. Establish a fee schedule and collect fees for material changes requested by the licensee.

SECTION 37. AMENDATORY Section 4, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.4), is amended to read as follows:

Section 427.4 A. The Oklahoma Medical Marijuana Authority, in conjunction with the State Department of Health, shall employ an Executive Director and other personnel as necessary to assist the Authority in carrying out its duties.

B. The Authority shall not employ an individual if any of the following circumstances exist:

1. The individual has a direct or indirect interest in a licensed medical marijuana business; or

2. The individual or his or her spouse, parent, child, spouse of a child, sibling, or spouse of a sibling has an application for a medical marijuana business license pending before the Department or is a member of the board of directors of a medical marijuana business, or is an individual financially interested in any licensee or medical marijuana business.
C. All officers and employees of the Authority shall be in the exempt unclassified service as provided for in Section 840-5.5 of Title 74 of the Oklahoma Statutes.

D. The Commissioner may delegate to any officer or employee of the Department any of the powers of the Executive Director and may designate any officer or employee of the Department to perform any of the duties of the Executive Director.

E. The Executive Director shall be authorized to suggest rules governing the oversight and implementation of this act.

F. The Department is hereby authorized to create employment positions necessary for the implementation of its obligations pursuant to this act, including but not limited to Authority investigators and a senior director of enforcement. The Department and the Authority, the senior director of enforcement, the Executive Director, and Department investigators shall have all the powers of any peace officer to:

1. Investigate violations or suspected violations of this act and any rules promulgated pursuant thereto;

2. Serve all warrants, summonses, subpoenas, administrative citations, notices or other processes relating to the enforcement of laws regulating medical marijuana, concentrate, and medical marijuana product;
3. Assist or aid any law enforcement officer in the performance of his or her duties upon such law enforcement officer's request or the request of other local officials having jurisdiction;

4. Require any business applicant or licensee, upon twenty-four (24) hours notice or upon a showing of necessity, to permit an inspection of licensed premises during business hours or at any time of apparent operation, marijuana equipment, and marijuana accessories, or books and records; and to permit the testing of or examination of medical marijuana, concentrate, or product; and

5. Require applicants and licensees to submit complete and current applications, submit information and fees required by this act and fees, the Oklahoma Medical Marijuana and Patient Protection Act and the Oklahoma Medical Marijuana Waste Management Act, and approve material changes made by the applicant or licensee.

SECTION 38.  AMENDATORY   Section 6, Chapter 11, O.S.L. 2019, as amended by Section 7, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.6), is amended to read as follows:

Section 427.6  A. The State Department of Health shall address issues related to the medical marijuana program in Oklahoma including, but not limited to, monitoring and disciplinary actions as they relate to the medical marijuana program.

   B.  1. The Department or its designee may perform on-site inspections or investigations of a licensee or applicant for any medical marijuana business license issued pursuant to this act.
act, research facility, education facility or waste disposal facility to determine compliance with this act applicable laws, rules and regulations or submissions made pursuant to this section.

The Department may enter the licensed premises of a medical marijuana business licensee or applicant, research facility, education facility or waste disposal facility to assess or monitor compliance or ensure qualifications for licensure.

2. **Inspections** Post-licensure inspections shall be limited to twice per calendar year and twenty-four (24) hours of notice shall be provided to a medical marijuana business applicant or licensee prior to an on-site assessment. However, investigations and additional inspections may occur when the Department believes an investigation or additional inspection is necessary due to a possible violation of this act the applicable laws, rules or regulations. Such inspection may be without notice if the Department believes that such notice will result in the destruction of evidence.

3. The Department may review relevant records of a licensed medical marijuana business, licensed medical marijuana research facility or licensed medical marijuana education facility or licensed medical marijuana waste disposal facility, and may require and conduct interviews with such persons or entities and persons affiliated with such entities, for the purpose of determining compliance with Department requirements and applicable laws.
However, prior to conducting any interviews with the medical marijuana business, research facility or education facility, the licensee shall be afforded sufficient time to secure legal representation during such questioning if requested by the business or facility or any of its agents or employees or contractors.

4. The Department shall refer complaints alleging criminal activity that are made against a licensee to appropriate Oklahoma state or local law enforcement authorities.

C. Disciplinary action may be taken against an applicant or licensee under this act for not adhering to the law applicable laws pursuant to the terms, conditions and guidelines set forth in this act.

D. Disciplinary actions may include revocation, suspension or denial of an application, license or final authorization and other action deemed appropriate by the Department.

E. Disciplinary actions may be imposed upon a medical marijuana business licensee for:

1. Failure to comply with or satisfy any provision of this section applicable laws, rules or regulations;

2. Falsification or misrepresentation of any material or information submitted to the Department;

3. Failing to allow or impeding a monitoring visit entry by authorized representatives of the Department;
4. Failure to adhere to any acknowledgement, verification or other representation made to the Department;

5. Failure to submit or disclose information required by this section applicable laws, rules or regulations or as otherwise requested by the Department;

6. Failure to correct any violation of this section cited as a result of a review or audit of financial records or other materials;

7. Failure to comply with requested access by the Department to the licensed premises or materials;

8. Failure to pay a required monetary penalty;

9. Diversion of medical marijuana or any medical marijuana product, as determined by the Department;

10. Threatening or harming a patient, a medical practitioner or an employee of the Department; and

11. Any other basis indicating a violation of the applicable laws and regulations as identified by the Department.

F. Disciplinary actions against a licensee may include the imposition of monetary penalties, which may be assessed by the Department.

G. Penalties for sales or purchases by a medical marijuana business to persons other than those allowed by law occurring within any two-year time period may include an initial fine of One Thousand Dollars ($1,000.00) for a first violation and a fine of Five Thousand Dollars ($5,000.00) for any subsequent violation.
Penalties for grossly inaccurate or fraudulent reporting occurring within any two-year time period may include an initial fine of One Thousand Dollars ($1,000.00) for a first violation and a fine of Five Thousand Dollars ($5,000.00) for any subsequent violations.

The medical marijuana business may be subject to a revocation of any license granted pursuant to this act upon a showing that the violation was willful or grossly negligent.

H. 1. First offense for intentional and impermissible diversion of medical marijuana, concentrate, or products by a patient or caregiver to an unauthorized person shall not be punished under a criminal statute but may be subject to a fine of Two Hundred Dollars ($200.00).

2. The second offense for impermissible diversion of medical marijuana, concentrate, or products by a patient or caregiver to an unauthorized person shall not be punished under a criminal statute but may be subject to a fine of not to exceed Five Hundred Dollars ($500.00) and may result in revocation of the license upon a showing that the violation was willful or grossly negligent.

I. The following persons or entities may request a hearing to contest an action or proposed action of the Department:

1. A medical marijuana business, research facility or education facility licensee whose license has been summarily suspended or who has received a notice of contemplated action to suspend or revoke a license or take other disciplinary action; and
2. A patient or caregiver licensee whose license has been summarily suspended or who has received notice of contemplated action to suspend or revoke a license or take other disciplinary action.

J. Whenever the Department finds that an emergency exists requiring immediate action in order to protect the public health or welfare, the Department may issue an order, without notice or hearing, stating the existence of said emergency and requiring that action be taken as the Department deems necessary to meet the emergency. The order shall be effective immediately upon issuance. Any person to whom the order is directed shall comply immediately with the provisions of the order but, upon application to the Department, shall be offered a hearing within ten (10) days of the issuance of the order. On the basis of said hearing, the Department shall continue the order in effect, revoke or modify the order.

K. All hearings held pursuant to this section shall be in accordance with the Oklahoma Administrative Procedures Act, Section 250 et seq. of Title 75 of the Oklahoma Statutes.

SECTION 39. AMENDATORY Section 7, Chapter 11, O.S.L. 2019, as amended by Section 5, Chapter 509, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.7), is amended to read as follows:

Section 427.7 A. The Oklahoma Medical Marijuana Authority shall create a medical marijuana use registry of patients and caregivers as provided under this section. The handling of any
records maintained in the registry shall comply with all relevant applicable state and federal privacy laws including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

B. The medical marijuana use registry shall be accessible to:
   1. Oklahoma-licensed medical marijuana dispensaries to verify the license of a patient or caregiver by the twenty-four-character identifier; and
   2. Any court in this state.

C. All other records regarding a medical marijuana patient licensee shall be maintained by the Authority and shall be deemed confidential. The handling of any records maintained by the Authority shall comply with all relevant applicable state and federal privacy laws including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Such records shall be marked as confidential, shall not be made available to the public, and shall only be made available to the licensee, designee of the licensee, any physician of the licensee or the caregiver of the licensee.

D. A log shall be kept with the file of the licensee to record any event in which the records of the licensee were made available and to whom the records were provided.

E. The Department shall ensure that all application medical marijuana patient and caregiver records and information are sealed
to protect the privacy of medical marijuana patient license applicants and licensees.

SECTION 40. AMENDATORY Section 9, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.9), is amended to read as follows:

Section 427.9 A. The Authority may contact the recommending physician of a licensee or an applicant for a medical marijuana patient license to verify the need of the applicant or licensee for the license and the information submitted with the application.

B. An applicant for a medical marijuana patient license who can demonstrate his or her status as a one-hundred-percent-disabled veteran as determined by the U.S. Department of Veterans Affairs and codified at 38 C.F.R., Section 3.340(a)(2013) shall pay a reduced biannual application fee of Twenty Dollars ($20.00). The methods of payment, as determined by the Authority, shall be provided on the website. However, the Authority shall ensure that all applicants have an option to submit the license application and payment by means other than solely by submission of the application and fee online.

C. The medical marijuana patient license shall be valid for up to two (2) years from the date of issuance, unless the recommendation of the physician is terminated pursuant to Section 427.10 of this title or revoked by the Department.
SECTION 41. AMENDATORY Section 10, Chapter 11, O.S.L. 2019, as amended by Section 2, Chapter 390, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.10), is amended to read as follows:

Section 427.10  A. Only licensed Oklahoma allopathic, osteopathic and podiatric physicians may provide a medical marijuana recommendation for a medical marijuana patient license under this act.

B. A physician who has not completed his or her first residency shall not meet the definition of "physician" under this section and any recommendation for a medical marijuana patient license shall not be processed by the Authority.

C. No physician shall be subject to arrest, prosecution or penalty in any manner or denied any right or privilege under Oklahoma state, municipal or county statute, ordinance or resolution, including without limitation a civil penalty or disciplinary action by the State Board of Medical Licensure and Supervision or the State Board of Osteopathic Examiners or the Board of Podiatric Medical Examiners or by any other business, occupation or professional licensing board or bureau, solely for providing a medical marijuana recommendation for a patient or for monitoring, treating or prescribing scheduled medication to patients who are medical marijuana licensees. The provisions of this subsection shall not prevent the relevant professional licensing boards from sanctioning a physician for failing to properly evaluate
the medical condition of a patient or for otherwise violating the applicable physician-patient standard of care.

D. A physician who recommends use of medical marijuana shall not be located at the same physical address as a dispensary.

E. If the physician determines the continued use of medical marijuana by the patient no longer meets the requirements set forth in this act, the physician shall notify the Department and the Authority shall immediately revoke the license shall be immediately voided without a right to an individual hearing.

SECTION 42. AMENDATORY Section 11, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.11), is amended to read as follows:

Section 427.11 A. The caregiver license shall provide the caregiver the same rights as the medical marijuana patient licensee, including the ability to possess marijuana, marijuana products, and mature and immature plants pursuant to this act, but excluding the ability to use marijuana or marijuana products unless the caregiver has a medical marijuana patient license. Caregivers shall be authorized to deliver marijuana and products to their authorized patients. Caregivers shall be authorized to possess medical marijuana and medical marijuana products up to the sum of the possession limits for the patients under his or her care pursuant to this act.
B. An individual caregiver shall be limited to exercising the marijuana cultivation rights of no more than five licensed patients as prescribed by this act.

C. The license of a caregiver shall not extend beyond the expiration date of the underlying patient license regardless of the issue date.

D. A medical marijuana patient licensee may request, at any time, to withdraw his or her caregiver license. In the event that such a request is made or upon the expiration of the license of the patient, the caregiver license shall be immediately withdrawn by the Department without a right to a hearing.

SECTION 43. AMENDATORY Section 13, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.13), is amended to read as follows:

Section 427.13  A. All medical marijuana and medical marijuana products shall be purchased solely from an Oklahoma-licensed medical marijuana business, and shall not be purchased from any out-of-state providers.

B. 1. The Authority shall have oversight and auditing responsibilities to ensure that all marijuana being grown in Oklahoma is accounted for and shall implement an inventory tracking system. Pursuant to these duties, the Authority shall require that each medical marijuana business, research facility, education facility and waste disposal facility keep records for every
transaction with another medical marijuana business, patient or
caregiver. Inventory shall be tracked and updated after each
individual sale and reported to the Authority.

U. 1. A separate inventory manifest shall be prepared for each licensee receiving the medical marijuana.

2. The transporter agent shall provide the other medical marijuana business with a copy of the inventory manifest at the time the product changes hands and after the other licensee prints his or her name and signs the inventory manifest.

3. An inventory manifest shall not be altered after departing the originating premises other than in cases where the printed name and signature of receipt by the receiving licensee is necessary.

4. A receiving licensee shall refuse to accept any medical marijuana or product that is not accompanied by an inventory manifest.

5. Originating and receiving licensees shall maintain copies of inventory manifests and logs of quantities of medical marijuana received for three (3) seven (7) years from date of receipt.
SECTION 46. AMENDATORY Section 17, Chapter 11, O.S.L. 2019, as amended by Section 4, Chapter 312, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.17), is amended to read as follows:

Section 427.17  A. There is hereby created a medical marijuana testing laboratory license as a category of the medical marijuana business license. The Oklahoma Medical Marijuana Authority is hereby enabled to monitor, inspect and audit a licensed testing laboratory under this act.

B. The Authority is hereby authorized to contract with a private laboratory for the purpose of conducting compliance testing of medical marijuana testing laboratories licensed in this state. Any such laboratory under contract for compliance testing shall be prohibited from conducting any other commercial medical marijuana testing in this state.

C. The Authority shall have the authority to develop acceptable testing and research practices, including, but not limited to, testing, standards, quality control analysis, equipment certification and calibration, and chemical identification and substances used in bona fide research methods so long as it complies with this act.

D. A person who is a direct beneficial owner or an indirect beneficial owner of a medical marijuana dispensary, medical marijuana commercial grower, or medical marijuana processor shall not be an owner of a laboratory.
E. A laboratory and a laboratory applicant shall comply with all applicable local ordinances, including but not limited to zoning, occupancy, licensing and building codes.

F. A separate license shall be required for each specific laboratory.

G. A medical marijuana testing laboratory license may be issued to a person who performs testing and research on medical marijuana and medical marijuana products for medical marijuana businesses, medical marijuana research facilities, medical marijuana education facilities, and testing and research on marijuana and marijuana products grown or produced by a patient or caregiver on behalf of a patient, upon verification of registration. No state-approved medical marijuana testing facility shall operate unless a medical laboratory director is on site during operational hours.

H. A laboratory applicant and licensees shall comply with the application requirements of this section and shall submit such other information as required for a medical marijuana business applicant, in addition to any information the Authority may request for initial approval and periodic evaluations during the approval period.

I. A medical marijuana testing laboratory may accept samples of medical marijuana, medical marijuana concentrate or medical marijuana product from a medical marijuana business, research facility or education facility for testing and research purposes.
only, which purposes may include the provision of testing services for samples submitted by a medical marijuana business for product development. The Department may require a medical marijuana business to submit a sample of medical marijuana, medical marijuana concentrate or medical marijuana product to a medical marijuana testing or quality assurance laboratory upon demand.

J. A medical marijuana testing laboratory may accept samples of medical marijuana, medical marijuana concentrate or medical marijuana product from an individual person for testing only under the following conditions:

1. The individual person is a patient or caregiver pursuant to this act or is a participant in an approved clinical or observational study conducted by a research facility; and

2. The medical marijuana testing laboratory shall require the patient or caregiver to produce a valid patient license and current and valid photo identification.

K. A medical marijuana testing laboratory may transfer samples to another medical marijuana testing laboratory for testing. All laboratory reports provided to or by a medical marijuana business or to a patient or caregiver shall identify the medical marijuana testing laboratory that actually conducted the test.

L. A medical marijuana testing laboratory may utilize a licensed medical marijuana transporter to transport samples of medical marijuana, medical marijuana concentrate and medical
marijuana product for testing, in accordance with this act and the
rules adopted pursuant thereto, between the originating medical
marijuana business requesting testing services and the destination
laboratory performing testing services.

M. The medical marijuana testing laboratory shall establish
policies to prevent the existence of or appearance of undue
commercial, financial or other influences that may diminish the
competency, impartiality and integrity of the testing processes or
results of the laboratory, or that may diminish public confidence in
the competency, impartiality and integrity of the testing processes
or results of the laboratory. At a minimum, employees, owners or
agents of a medical marijuana testing laboratory who participate in
any aspect of the analysis and results of a sample are prohibited
from improperly influencing the testing process, improperly
manipulating data, or improperly benefiting from any ongoing
financial, employment, personal or business relationship with the
medical marijuana business that provided the sample.

N. The Department, pursuant to rules promulgated by the State
Commissioner of Health, shall develop standards, policies and
procedures as necessary for:

1. The cleanliness and orderliness of a laboratory premises and
the location of the laboratory in a secure location, and inspection,
cleaning and maintenance of any equipment or utensils used for the
analysis of test samples;
2. Testing procedures, testing standards for cannabinoid and terpenoid potency and safe levels of contaminants, and remediation procedures and validation procedures;

3. Controlled access areas for storage of medical marijuana and medical marijuana product test samples, waste and reference standards;

4. Records to be retained and computer systems to be utilized by the laboratory;

5. The possession, storage and use by the laboratory of reagents, solutions and reference standards;

6. A certificate of analysis (COA) for each lot of reference standard;

7. The transport and disposal of unused marijuana, marijuana products and waste;

8. The mandatory use by a laboratory of an inventory tracking system to ensure all test harvest and production batches or samples containing medical marijuana, medical marijuana concentrate or medical marijuana products are identified and tracked from the point they are transferred from a medical marijuana business, a patient or a caregiver through the point of transfer, destruction or disposal. The inventory tracking system reporting shall include the results of any tests that are conducted on medical marijuana, medical marijuana concentrate or medical marijuana product;

9. Standards of performance;
10. The employment of laboratory personnel;

11. A written standard operating procedure manual to be maintained and updated by the laboratory;

12. The successful participation in a Department-approved proficiency testing program for each testing category listed in this section, in order to obtain and maintain certification;

13. The establishment of and adherence to a quality assurance and quality control program to ensure sufficient monitoring of laboratory processes and quality of results reported;

14. The establishment by the laboratory of a system to document the complete chain of custody for samples from receipt through disposal;

15. The establishment by the laboratory of a system to retain and maintain all required records, including business records, and processes to ensure results are reported in a timely and accurate manner; and

16. Any other aspect of laboratory testing of medical marijuana or medical marijuana product deemed necessary by the Department.

O. A medical marijuana testing laboratory shall promptly provide the Department or designee of the Department access to a report of a test and any underlying data that is conducted on a sample at the request of a medical marijuana business or qualified patient. A medical marijuana testing laboratory shall also provide access to the Department or designee of the Department to laboratory
premises and to any material or information requested by the Department to determine compliance with the requirements of this section.

P. A medical marijuana testing laboratory shall retain all results of laboratory tests conducted on marijuana or products for a period of at least  two (2) seven (7) years and shall make them available to the Department upon request.

Q. A medical marijuana testing laboratory shall test samples from each harvest batch or product batch, as appropriate, of medical marijuana, medical marijuana concentrate and medical marijuana product for each of the following categories of testing, consistent with standards developed by the Commissioner:

1. Microbials;
2. Mycotoxins;
3. Residual solvents;
4. Pesticides;
5. Tetrahydrocannabinol (THC) and other cannabinoid potency;
6. Terpenoid potency; and
7. Heavy metals.

R. A test batch shall not exceed ten (10) pounds of usable marijuana or medical marijuana product, as appropriate. A grower shall separate each harvest lot of usable marijuana into harvest batches containing no more than ten (10) pounds. A processor shall
separate each medical marijuana production lot into production batches containing no more than ten (10) pounds.

S. Medical marijuana testing laboratory licensure shall be contingent upon successful on-site inspection, successful participation in proficiency testing and ongoing compliance with the applicable requirements in this section.

T. A medical marijuana testing laboratory shall be inspected prior to initial licensure and annually up to two times per year thereafter by an inspector approved by the Authority Department. The Department may enter the licensed premises of a testing laboratory to conduct investigations and additional inspections when the Department believes an investigation or additional inspection is necessary due to a possible violation of applicable laws, rules or regulations.

U. Beginning on a date determined by the Commissioner, not later than January 1, 2020, medical marijuana testing laboratory licensure shall be contingent upon accreditation by the NELAC Institute (TNI), ANSI/ASQ National Accreditation Board or another accrediting body approved by the Commissioner, and any applicable standards as determined by the Department.

V. Unless otherwise authorized by this section, a commercial grower shall not transfer or sell medical marijuana and a processor shall not transfer, sell or process into a concentrate or product any medical marijuana, medical marijuana concentrate or medical
marijuana product unless samples from each harvest batch or production batch from which that medical marijuana, medical marijuana concentrate or medical marijuana product was derived has been tested by a medical marijuana testing facility for contaminants and passed all contaminant tests required by this act the Oklahoma Medical Marijuana and Patient Protection Act and applicable laws, rules and regulations.

1. A commercial grower may transfer medical marijuana that has failed testing to a processor only for the purposes of remediation and only in accordance with the Oklahoma Medical Marijuana and Patient Protection Act and the rules and regulations of the Department.

2. Growers and processors who achieve process validation under the rules and regulations set forth by the Department may transfer, sell or process medical marijuana and medical marijuana products in accordance with those rules and regulations.

SECTION 47. AMENDATORY Section 18, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.18), is amended to read as follows:

Section 427.18 A. An Oklahoma medical marijuana business shall not sell, transfer or otherwise distribute medical marijuana or medical marijuana product that has not been packaged and labeled in accordance with this section and rules promulgated by the State Commissioner of Health.
B. A medical marijuana dispensary shall return medical marijuana and medical marijuana product that does not meet packaging or labeling requirements in this section or rules promulgated pursuant thereto to the entity who transferred it to the dispensary. The medical marijuana dispensary shall document to whom the item was returned, what was returned and the date of the return or dispose of any usable marijuana that does not meet these requirements in accordance with this act.

C. 1. Medical marijuana packaging shall be packaged to minimize its appeal to children and shall not depict images other than the business name logo of the medical marijuana producer and image of the product.

2. A medical marijuana business shall not place any content on a container in a manner that reasonably appears to target individuals under the age of twenty-one (21), including but not limited to cartoon characters or similar images.

3. Labels on a container shall not include any false or misleading statements.

4. No container shall be intentionally or knowingly labeled so as to cause a reasonable patient confusion as to whether the medical marijuana, medical marijuana concentrate or medical marijuana product is a trademarked product or labeled in a manner that violates any federal trademark law or regulation.
5. The label on the container shall not make any claims regarding health or physical benefits to the patient.

6. All medical marijuana, medical marijuana concentrate and medical marijuana products shall be in a child-resistant container at the point of transfer to the patient or caregiver.

D. The State Department of Health shall develop minimum standards for packaging and labeling of medical marijuana and medical marijuana products. Such standards shall include, but not be limited to, the required contents of labels to be affixed to all medical marijuana and medical marijuana products prior to transfer to a licensed patient or caregiver, which shall include, at a minimum:

1. A universal symbol indicating that the product contains tetrahydrocannabinol (THC);

2. THC and other cannabinoid potency, and terpenoid potency;

3. A statement indicating that the product has been tested for contaminants;

4. One or more product warnings to be determined by the Department; and

5. Any other information the Department deems necessary.

SECTION 48. AMENDATORY Section 19, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.19), is amended to read as follows:
Section 427.19  A.  A medical marijuana research license may be issued to a person to grow, cultivate, possess and transfer, by sale or donation, marijuana pursuant to this act for the limited research purposes identified in this section.

B.  The annual fee for a medical marijuana research license shall be Five Hundred Dollars ($500.00) and shall be payable by an applicant for a medical marijuana research license upon submission of his or her application to the Authority.

C.  A medical marijuana research license may be issued for the following research purposes:

1.  To test chemical potency and composition levels;

2.  To conduct clinical investigations of marijuana-derived medicinal products;

3.  To conduct research on the efficacy and safety of administering marijuana as part of medical treatment;

4.  To conduct genomic, horticultural or agricultural research; and

5.  To conduct research on marijuana-affiliated products or systems.

D. 1.  As part of the application process for a medical marijuana research license, an applicant shall submit to the Authority a description of the research that the applicant intends to conduct and whether the research will be conducted with a public institution or using public money.  If the research will not be
conducted with a public institution or with public money, the
Authority shall grant the application if it determines that the
applicant meets the criteria in this section.

2. If the research will be conducted with a public institution
or public money, the Department shall review the research project of
the applicant to determine if it meets the requirements of this
section and to assess the following:

a. the quality, study design, value or impact of the
   project,

b. whether the applicant has the appropriate personnel,
   expertise, facilities, infrastructure, funding and
   human, animal or other approvals in place to
   successfully conduct the project, and

b. whether the amount of marijuana to be grown by the
   applicant is consistent with the scope and goals of
   the project.

3. If the Authority determines that the research project does
not meet the requirements of this section or assesses the criteria
to be inadequate, the application shall be denied.

E. A medical marijuana research licensee may only transfer, by
sale or donation, marijuana grown within its operation to other
medical marijuana research licensees. The Department may revoke a
medical marijuana research license for violations of this section
and any other violation of this act.
F. A medical marijuana research licensee may contract to perform research in conjunction with a public higher education research institution or another medical marijuana research licensee.

G. The growing, cultivating, possessing or transferring, by sale or donation, of marijuana in accordance with this section and the rules promulgated pursuant thereto, by a medical marijuana research licensee shall not be a criminal or civil offense under state law. A medical marijuana research license shall be issued in the name of the applicant and shall specify the location in Oklahoma at which the medical marijuana research licensee intends to operate. A medical marijuana research licensee shall not allow any other person to exercise the privilege of the license.

H. If the research conducted includes a public institution or public money, the Authority shall review any reports made by medical marijuana research licensees under state licensing authority rule and provide the Authority with its determination on whether the research project continues to meet research qualifications pursuant to this section.

SECTION 49. AMENDATORY Section 20, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.20), is amended to read as follows:

Section 427.20 A. There is hereby created a medical marijuana education facility license.
B. A medical marijuana education facility license may be issued to a person to possess or cultivate marijuana for the limited education and research purposes identified in this section.

C. A medical marijuana education facility license may only be granted to a not-for-profit organization structured under Section 501(c)(3) of the Internal Revenue Code, operating as an Oklahoma not-for-profit registered organization with the Office of the Secretary of State.

D. A medical marijuana education facility license may only be granted upon the submission of an annual fee of Five Hundred Dollars ($500.00) to the Authority.

E. A medical marijuana education facility license may be issued for the following education and research purposes:

1. To test cultivation techniques, strategies, infrastructure, mediums, lighting and other related technology;
2. To demonstrate cultivation techniques, strategies, infrastructure, mediums, lighting and other related technology;
3. To demonstrate the application and use of product manufacturing technologies;
4. To conduct genomic, horticultural or agricultural research; and
5. To conduct research on marijuana-affiliated products or systems.
F. As part of the application process for a medical marijuana education facility license, an applicant shall submit to the Authority a description of the project and curriculum that the applicant intends to conduct and whether the project and curriculum will be conducted with a public institution or using public money. If the research project and curriculum will not be conducted with a public institution or with public money, the Authority shall grant the application. If the research will be conducted with a public institution or public money, the Authority shall review the research project of the applicant to determine if it meets the requirements of this section and to assess the following:

1. The quality, study design, value or impact of the project;
2. Whether the applicant has the appropriate personnel, expertise, facilities, infrastructure, funding, and human, animal or other approvals in place to successfully conduct the project; and
3. Whether the amount of marijuana to be grown by the applicant is consistent with the scope and goals of the project.

If the Authority determines that the education project does not meet the requirements of this section or assesses the criteria to be inadequate, the application shall be denied.

G. A medical marijuana education facility licensee may only transfer, by sale or donation, marijuana grown within its operation to medical marijuana research licensees. The Department may revoke a medical marijuana education facility license for violations of
this section and any other violation of applicable laws, rules and regulations.

H. A medical marijuana education facility licensee may contract to perform research in conjunction with a public higher education research institution or another research licensee.

I. The growing, cultivating, possessing or transferring, by sale or donation, of marijuana in accordance with this section and the rules promulgated pursuant thereto, by a medical marijuana education facility licensee shall not be a criminal or civil offense under state law. A medical marijuana education facility license shall be issued in the name of the applicant and shall specify the location in Oklahoma at which the medical marijuana education facility licensee intends to operate. A medical marijuana education facility licensee shall not allow any other person to exercise the privilege of the license.

SECTION 50. AMENDATORY Section 22, Chapter 11, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.22), is amended to read as follows:

Section 427.22 A. All patient and caregiver records and information, including, without limitation, an application or renewal and supporting information submitted by a qualifying patient or designated caregiver under the provisions of this act including, without limitation, the Oklahoma Medical Marijuana and Patient Protection Act and information regarding the physician of the
qualifying patient, shall be considered confidential medical records that are exempt from the Oklahoma Open Records Act.

B. The dispensary records with patient information shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

C. All financial information provided by an applicant in its application to the Authority or licensee shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

D. All information provided by an applicant or licensee that constitutes private business information shall be treated as confidential records that are exempt from the Oklahoma Open Records Act.

E. As used in this section, "private business information" means information that, if disclosed, would give advantage to competitors or bidders including, but not limited to, information related to the planning, site location, operations, strategy, or product development and marketing of an applicant, unless approval for release of those records is granted by the business.

F. All monthly reports, inventory tracking and seed-to-sale information, data and records submitted to the Oklahoma Medical Marijuana Authority shall be treated as confidential and are exempt from the Oklahoma Open Records Act.
G. Except for license information concerning licensed patients, the Authority may share confidential information with the Oklahoma Tax Commission to assist the Oklahoma Tax Commission in ensuring compliance with applicable laws, rules and regulations.

SECTION 51. AMENDATORY Section 23, Chapter 11, O.S.L. 2019, as amended by Section 11, Chapter 477, O.S.L. 2019 (63 O.S. Supp. 2019, Section 427.23), is amended to read as follows:

Section 427.23 A. The State Commissioner of Health, the Oklahoma Tax Commission, the State Treasurer, the Secretary of State and the Director of the Office of Management and Enterprise Services shall promulgate rules to implement the provisions of this act.

B. The Food Safety Standards Board Medical Marijuana Advisory Council, in addition to the powers and duties granted in Section 423 of Title 63 of the Oklahoma Statutes this title, may recommend to the State Commissioner of Health rules relating to all aspects of regarding the safe cultivation and manufacturing of medical marijuana products. In addition to the twelve members required in Section 423 of this title, the State Department of Health may appoint up to eight additional members. The makeup of the Medical Marijuana Advisory Council shall include medical marijuana industry representation.

SECTION 52. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 427.24 of Title 63, unless there is created a duplication in numbering, reads as follows:
A. Whenever an authorized agent of the State Department of Health finds, in whole or in part, that:

1. Any medical marijuana or medical marijuana product fails to meet the requirements of Sections 420 through 426.1 of Title 63 of the Oklahoma Statutes and the Oklahoma Medical Marijuana and Patient Protection Act, as it relates to health and safety;

2. The medical marijuana or medical marijuana product is handled in violation of applicable laws or rules and regulations of the Department; or

3. The medical marijuana or medical marijuana product may be poisonous, deleterious to health, or is otherwise unsafe, a tag or other appropriate marking shall be affixed to the medical marijuana or medical marijuana product. The tag or other appropriate marking shall give notice that the medical marijuana or medical marijuana product is or is suspected of being manufactured, produced, transferred, sold, or offered for sale in violation of applicable laws or rules and regulations of the Department. The tag or other appropriate marking shall also give notice that the medical marijuana or medical marijuana product is embargoed and shall provide a warning that all persons shall be prohibited from removing or disposing of the medical marijuana or medical marijuana product until permission for removal or disposal is given by the State Commissioner of Health. It shall be unlawful for any person to
remove or dispose of the embargoed medical marijuana or medical marijuana product without permission.

B. 1. If the Commissioner finds that medical marijuana or medical marijuana product embargoed pursuant to subsection A of this section does not meet the requirements of applicable laws or rules and regulations of the Department, or is poisonous, deleterious to health, or otherwise unsafe, the Commissioner may institute an action in the district court, in whose jurisdiction the medical marijuana or medical marijuana product is embargoed, for the condemnation and destruction of the medical marijuana or medical marijuana product.

2. If the Commissioner later finds that the embargoed medical marijuana or medical marijuana product does meet the requirements of applicable laws and rules and regulations of the Department and is not poisonous, deleterious to health, or otherwise unsafe, the Commissioner shall remove the embargo.

3. In any court proceeding regarding an embargo, the State Department of Health, the Oklahoma Medical Marijuana Authority and the State Commissioner of Health shall not be held liable if the court finds reasonable belief for the embargo.

C. If the court finds that the embargoed medical marijuana or medical marijuana product, in whole or in part, is in violation of any applicable laws or Department rules or regulations or is poisonous, deleterious to health, or otherwise unsafe, the medical
marijuana or medical marijuana product shall be destroyed under the supervision of the Commissioner and at the expense of the owner or defendant. All court costs, fees, cost of storage and other proper expenses shall be paid by the owner or defendant of the medical marijuana or medical marijuana product. The court may order that the medical marijuana or medical marijuana product be delivered to the owner or defendant for appropriate labeling or processing under the supervision of the Commissioner if:

1. The violation can be corrected by proper processing of the medical marijuana or medical marijuana product;

2. All costs, fees and expenses have been paid; and

3. A sufficient bond is executed and conditioned for appropriate labeling or processing as the court may require.

The expense of supervision shall be paid to the Commissioner by the person obtaining release of the medical marijuana or medical marijuana product under bond.

SECTION 53. AMENDATORY Section 2, Chapter 337, O.S.L. 2019 (63 O.S. Supp. 2019, Section 428.1), is amended to read as follows:

Section 428.1 As used in this act the Oklahoma Medical Marijuana Waste Management Act:

1. "Authority" shall mean the Oklahoma Medical Marijuana Authority, or successor agency;
2. "Commercial licensee" shall mean any person or entity issued a license by the Oklahoma Medical Marijuana Authority, or successor agency, to conduct commercial business in this state;

3. "Disposal" shall mean the final disposition of medical marijuana waste by either a process which renders the waste unusable and unrecognizable through physical destruction or a recycling process;

4. "Facility" shall mean a location the licensed or permitted premises where the disposal of medical marijuana waste takes place by a licensee;

5. "License" shall mean a medical marijuana waste disposal license;

6. "Licensee" shall mean the holder of a medical marijuana waste disposal license;

7. "Medical marijuana waste" shall mean unused, surplus, returned or out-of-date marijuana and plant debris of the plant of the genus Cannabis, including dead plants and all unused plant parts, except the term shall not include seeds, roots, stems, stalks and fan leaves; and

8. "Medical marijuana waste disposal license" shall mean a license issued by the Oklahoma Medical Marijuana Authority, or successor agency.
SECTION 54. AMENDATORY Section 3, Chapter 337, O.S.L. 2019 (63 O.S. Supp. 2019, Section 429), is amended to read as follows:

Section 429. A. Medical marijuana waste shall be subject to the provisions of this act and shall not be subject to the provisions of the Uniform Controlled Dangerous Substances Act. Nothing in this act shall alter or affect the jurisdictional areas of environmental responsibility of the Department of Environmental Quality as provided for in Title 27A of the Oklahoma Statutes.

B. Commercial licensees, medical marijuana research facilities and medical marijuana education facilities shall be authorized to destroy the following marijuana plant parts without being required to utilize the services of a medical marijuana waste disposal facility:

1. Root balls Roots;
2. Stems;
3. Fan leaves; and
4. Seeds; and
5. Stalks.

Unless restricted by local ordinance, commercial licensees, medical marijuana research facilities and medical marijuana education facilities shall be authorized to destroy the above-listed marijuana plant parts on-site by open burning, incineration,
burying, mulching, composting or any other technique approved by the Department of Environmental Quality.

C. Commercial licensees, medical marijuana research facilities and medical marijuana education facilities engaged in the disposal of medical marijuana waste shall create and maintain documentation on a form prescribed by the Oklahoma Medical Marijuana Authority that includes precise weights or counts of medical marijuana waste and the manner in which the medical marijuana waste is disposed. Such documentation shall contain a witness affidavit and signature attesting to the lawful disposal of the medical marijuana waste under penalty of perjury. All disposal records shall be maintained by commercial licensees, medical marijuana research facilities and medical marijuana educational facilities for a period of five (5) years and shall be subject to inspection and auditing by the Authority.

SECTION 55. AMENDATORY Section 4, Chapter 337, O.S.L. 2019 (63 O.S. Supp. 2019, Section 430), is amended to read as follows:

Section 430. A. There is hereby created and authorized a medical marijuana waste disposal license. A person or entity in possession of a medical marijuana waste disposal license shall be entitled to possess, transport and dispose of medical marijuana waste. No person or entity shall possess, transport or dispose of medical marijuana waste without a valid medical marijuana waste
disposal license. The Oklahoma Medical Marijuana Authority shall issue licenses upon proper application by a licensee and determination by the Authority that the proposed site and facility are physically and technically suitable. Upon a finding that a proposed medical marijuana waste disposal facility is not physically or technically suitable, the Authority shall deny the license. The Authority may, upon determining that public health or safety requires emergency action, issue a temporary license for treatment or storage of medical marijuana waste for a period not to exceed ninety (90) days. The Authority shall not, for the first year of the licensure program, issue more than ten licenses. Upon the conclusion of the first year, the Authority shall assess the need for additional licenses and shall, if demonstrated, increase the number of licenses as deemed necessary by the Authority.

B. Entities applying for a medical marijuana waste disposal license shall undergo the following screening process:

1. Complete an application form, as prescribed by the Authority, which shall include:

   a. an attestation that the applicant is authorized to make application on behalf of the entity,

   b. full name of the organization,

   c. trade name, if applicable,

   d. type of business organization,

   e. complete mailing address,
f. an attestation that the commercial entity will not be located on tribal land,
g. telephone number and email address of the entity, and
h. name, residential address and date of birth of each owner and each member, manager and board member, if applicable;

2. The application for a medical marijuana waste disposal license made by an individual on his or her own behalf shall be on the form prescribed by the Authority and shall include, but not be limited to:
   a. the first, middle and last name of the applicant and suffix, if applicable,
b. the residence address and mailing address of the applicant,
c. the date of birth of the applicant,
d. the preferred telephone number and email address of the applicant,
e. an attestation that the information provided by the applicant is true and correct, and
f. a statement signed by the applicant pledging not to divert marijuana to any individual or entity that is not lawfully entitled to possess marijuana; and

3. Each application shall be accompanied by the following documentation:
a. a list of all persons or entities that have an
ownership interest in the entity,
b. a certificate of good standing from the Oklahoma
Secretary of State, if applicable,
c. an Affidavit of Lawful Presence for each owner,
d. proof that the proposed location of the disposal
facility is at least one thousand (1,000) feet from a
public or private school. The distance indicated in
this subparagraph shall be measured from any entrance
the nearest property line of the public or private
school to the nearest property line point front
entrance of the disposal facility. If any public or
private school is established within one thousand
(1,000) feet of any disposal facility after such
disposal facility has been licensed, the provisions of
this subparagraph shall not be a deterrent to the
renewal of such license or warrant revocation of the
license, and
e. documents establishing the applicant, the members,
managers and board members, if applicable, and
seventy-five percent (75%) of the ownership interests
are Oklahoma residents as established in Section 420
et seq. of Title 63 of the Oklahoma Statutes of this
title, as it relates to proof of residency.
C. No license shall be issued except upon proof of sufficient liability insurance and financial responsibility. Liability insurance shall be provided by the applicant and shall apply to sudden and nonsudden bodily injury or property damage on, below or above the surface, as required by the rules of the Authority. Such insurance shall be maintained for the period of operation of the facility and shall provide coverage for damages resulting from operation of the facility during operation and after closing. In lieu of liability insurance required by this subsection, an equivalent amount of cash, securities, bond or alternate financial assurance, of a type and in an amount acceptable to the Authority, may be substituted; provided, that such deposit shall be maintained for a period of five (5) years after the date of last operation of the facility.

D. Submission of an application for a medical marijuana waste disposal license shall constitute permission for entry to and inspection of the facility of the licensee during hours of operation and other reasonable times. Refusal to permit such entry of inspection shall constitute grounds for the nonrenewal, suspension or revocation of a license. The Authority may perform an annual unannounced on-site inspection of the operations and any facility of the licensee. If the Authority receives a complaint concerning noncompliance by a licensee with the provisions of this act, the Authority may conduct additional unannounced, on-site inspections.
beyond an annual inspection. The Authority shall refer all
complaints alleging criminal activity that are made against a
licensed facility to appropriate state or local law enforcement
authorities.

E. The Authority shall issue an annual permit for each
medical marijuana waste disposal facility operated by a licensee. A
permit shall be issued only upon proper application by a licensee
and determination by the Authority that the proposed site and
facility are physically and technically suitable. Upon a finding
that a proposed medical marijuana waste disposal facility is not
physically or technically suitable, the Authority shall deny the
permit. The Authority shall have the authority to revoke a permit
upon a finding that the site and facility are not physically and
technically suitable for processing. The Authority may, upon
determining that public health or safety requires emergency action,
issue a temporary permit for treatment or storage of medical
marijuana waste for a period not to exceed ninety (90) days.

F. The cost of a medical marijuana waste disposal license shall
be Five Thousand Dollars ($5,000.00) for the initial license. The
cost of a medical marijuana waste disposal facility permit shall be
Five Hundred Dollars ($500.00). A medical marijuana waste disposal
facility permit that has been revoked shall be reinstated upon
remittance of a reinstatement fee of Five Hundred Dollars ($500.00)
to restore the facility permit. All license and permit fees shall
