14 SECTION 1. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 6060.60 of Title 36, unless  
16 there is created a duplication in numbering, reads as follows:

17 Sections 1 through 21 of this act shall be known and may be  
18 cited as the "Oklahoma Out-of-Network Surprise Billing and  
19 Transparency Act".

20 SECTION 2. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 6060.61 of Title 36, unless  
22 there is created a duplication in numbering, reads as follows:

23 The Oklahoma Out-of-Network Surprise Billing and Transparency  
24 Act shall apply to all state-regulated health benefit plans except:

- 25 1. HealthChoice health benefit plans administered by the  
26 Oklahoma Office of Management and Enterprise Services;
- 27 2. Medicaid;
- 28 3. Medicare; and

1 4. The Employee Retirement Income Security Act of 1974 health  
2 benefit plans.

3 SECTION 3. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 6060.62 of Title 36, unless  
5 there is created a duplication in numbering, reads as follows:

6 As used in the Oklahoma Out-of-Network Surprise Billing and  
7 Transparency Act:

8 1. "Arbitration" means a process in which an impartial  
9 arbitrator issues a binding determination in a dispute between a  
10 health benefit plan issuer or administrator and an out-of-network  
11 provider and/or facility or the provider or facilities  
12 representative to settle a health benefit claim;

13 2. "Geozip" means an area that includes all zip codes with  
14 identical first three digits;

15 3. "Surprise billing" means the practice by a health care  
16 provider or facility who does not, or is unable to, participate in  
17 an enrollee's health benefit plan network, and charges an enrollee  
18 the difference between the provider's or facility's fee and the sum  
19 of what the enrollee's health benefit plan pays and what the  
20 enrollee is required to pay in applicable deductibles, copayments,  
21 coinsurance or other cost-sharing amounts required by the health  
22 benefit plan; and

23 4. "Usual, customary, and reasonable rate" or "UCR rate" means  
24 the eightieth percentile of all charges for the particular health

1 care service performed by a health care provider in the same or  
2 similar specialty and provided in the same geographical area as  
3 reported in an independent benchmarking database maintained by a  
4 nonprofit organization specified by the Insurance Commissioner;  
5 provided, the nonprofit organization shall not be financially  
6 affiliated with an insurance carrier or health care provider.

7 SECTION 4. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 6060.63 of Title 36, unless  
9 there is created a duplication in numbering, reads as follows:

10 All health insurance benefit policies must reference the usual,  
11 customary, and reasonable rate for the purpose of providing an  
12 enrollee with reimbursement transparency for out-of-network health  
13 care providers and facilities. The charges for services reflected  
14 by the Current Procedural Terminology code as reflected in the  
15 eightieth percentile of charge data supplied by an independent  
16 benchmarking database on November 1, 2020, shall constitute the  
17 baseline for provider or facility charges. Beginning November 1,  
18 2020, provider or facility charges may change anytime the charge  
19 data supplied by an independent benchmarking database changes, but  
20 may not increase at a rate greater than the Consumer Price Index.

21 SECTION 5. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 6060.64 of Title 36, unless

3 billing an insured, participant or enrollee from applicable  
4 copayment, coinsurance, and deductible amounts required under the  
5 Oklahoma Out-of-Network Surprise Billing and Transparency Act, the  
6 Attorney General may bring a civil action in the name of the state  
7 to ensure the health care provider, health care facility or  
8 administrator may bill an enrollee the applicable copayment,  
9 coinsurance, and deductible amounts. If the Attorney General  
10 prevails in an action brought against a health benefit plan issuer  
11 or administrator, the Attorney General may recover reasonable  
12 attorney fees, costs and expenses, including court costs and witness  
13 fees incurred in bringing the action.

14 SECTION 6. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 6060.65 of Title 36, unless  
16 there is created a duplication in numbering, reads as follows:

18 has billed an enrollee an amount greater than the applicable  
19 copayment, coinsurance, and deductible amount required under the  
20 Oklahoma Out-of-Network Surprise Billing and Transparency Act, the  
21 Attorney General may bring a civil action in the name of the state  
22 to ensure the enrollee is not responsible for an amount greater than  
23 the applicable copayment, coinsurance, and deductible amounts. If  
24 the Attorney General prevails in an action brought against a health

1 benefit plan issuer or administrator, the Attorney General may

9 provider or out-of-network facility, the health benefit plan shall

13 B. If a covered person receives covered emergency services by  
14 an out-of-network provider or out-of-network facility, the carrier  
15 shall pay the out-of-network provider directly and the initial

8 in the Oklahoma Statutes as Section 6060.67 of Title 36, unless  
9 there is created a duplication in numbering, reads as follows:

10 A. If a covered person receives covered services at an in-  
11 network facility from an out-of-network provider, the carrier shall  
12 pay the out-of-network provider directly and initial payment shall  
13 be at the usual, customary, and reasonable rate or at an agreed upon  
14 rate.

15 B. The enrollee who receives care shall not be responsible for  
16 any amount greater than his or her applicable in-network copay,  
17 coinsurance, and deductible amount.

18 C. The insurer shall make payment required by this section  
19 directly to the provider no later than, as applicable:

20 1. Thirty (30) days after the date the insurer receives an

22 information necessary for the insurers to pay the claim; or  
23  
24

1           2. Forty-five (45) days after the date the insurer receives a  
2 nonelectronic clean claim for those services that includes all  
3 information necessary for the insurer to pay the claim.

22 nonelectronic clean claim for those services that includes all  
23 information necessary for the insurer to pay the claim.

24

1 C. Nothing in this section shall be construed to prohibit an  
2 out-of-network provider or out-of-network facility from accepting  
3 less than the usual, customary, and reasonable rate so long as an  
4 agreement has been made between the enrollee and out-of-network  
5 health care provider or out-of-network facility.

6 SECTION 10. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 6060.69 of Title 36, unless  
8 there is created a duplication in numbering, reads as follows:

9 A. A health care or medical service or supply provided at a

24 providers and facilities; and
