BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-756 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Abortion" means the use or prescription of any instrument, medicine, drug or any other substance or device:

(a) to intentionally kill the unborn child of a woman known to be pregnant; or
(b) to intentionally terminate the pregnancy of a woman
known to be pregnant, with an intention other than to
remove a dead unborn child or, after viability, to
produce a live birth and preserve the life and health
of the child born alive;

2. "Medical emergency" means a condition which, in reasonable
medical judgment, so complicates the medical condition of the
pregnant woman as to necessitate the immediate abortion of her
pregnancy to avert her death or for which a delay will create
serious risk of substantial and irreversible physical impairment of
a major bodily function, not including psychological or emotional
conditions. No condition shall be deemed a medical emergency if
based on a claim or diagnosis that the woman will engage in conduct
which she intends to result in her death or in substantial and
irreversible physical impairment of a major bodily function; and

3. "Medication abortion" means the use or prescription of an
abortion-inducing drug or drugs dispensed with the intent to cause
the death of the unborn child.

B. 1. Any private office, freestanding outpatient clinic,
hospital or other facility or clinic in which medication abortions
that use mifepristone are provided shall conspicuously post a sign
in a location defined in paragraph 3 of this subsection so as to be
clearly visible to patients, which reads:
“NOTICE TO PATIENTS HAVING MEDICATION ABORTIONS WHICH USE
MIFEPRISTONE: Mifepristone, also known as RU-486 or Mifeprex, alone
is not always effective in ending a pregnancy. It may be possible
to reverse its intended effect if the second pill or tablet has not
been taken or administered. If you change your mind and wish to try
to continue the pregnancy, you can get immediate help by calling the
Abortion Pill Reversal 24-hour Hotline at 877-558-0333 or going to

information is available on the State Board of Medical Licensure and
Supervision's website, www.awomansright.org, which provides informed
consent materials under the Woman's Right-to-Know Act, including
information about the development of the unborn child and video of
ultrasound images of the unborn child at various stages of
development."

2. The sign required pursuant to paragraph 1 of this subsection
shall be printed with lettering that is legible and shall be at
least three-fourths (3/4) of an inch boldfaced type.

3. A facility in which medication abortions that use
mifepristone are provided that is a private office or a freestanding
outpatient clinic shall post the required sign in each patient
waiting room and patient consultation room used by patients to whom
such medication abortions are provided. A hospital or any other
facility in which medication abortions are performed that is not a
private office or freestanding outpatient clinic shall post the
required sign in each patient admission area used by patients on
whom abortions are performed.

C. 1. Except in the case of a medical emergency, a medication
abortion that uses mifepristone shall not be provided or induced or
attempted to be provided or induced without informing the female, by
telephone or in person, by the physician who is to dispense or
provide the abortion drug or drugs, by a referring physician or by
an agent of either physician at least seventy-two (72) hours before
the abortion:

a. that it may be possible to reverse the intended
effects of a medication abortion that uses
mifepristone if the woman changes her mind but that
time is of the essence, and

b. of information on reversing the effects of a
medication abortion that uses mifepristone, which is
available on the website of the State Board of Medical
Licensure and Supervision, and included in such
information is the Abortion Pill Reversal 24-hour

2. After the first drug, mifepristone, is dispensed or provided
to the patient, the physician or an agent of the physician shall
provide written instructions to the pregnant woman which shall
include the statement:
“NOTICE TO PATIENTS HAVING MEDICATION ABORTIONS WHICH USE MIFEPRISTONE: Mifepristone, also known as RU-486 or Mifeprex, alone is not always effective in ending a pregnancy. It may be possible to reverse its intended effect if the second pill or tablet has not been taken or administered. If you change your mind and wish to try to continue the pregnancy, you can get immediate help by calling the Abortion Pill Reversal 24-hour Hotline at 877-558-0333 or going to Abortion Pill Reversal website https://www.abortionpillreversal.com/. Additional information is available on the State Board of Medical Licensure and Supervision's website, www.awomansright.org, which provides informed consent materials under the Woman's Right-to-Know Act, including information about the development of the unborn child and video of ultrasound images of the unborn child at various stages of development."

D. When a medical emergency compels the performance of an abortion, the physician shall inform the female, prior to the abortion if possible, of the medical indications supporting the physician's judgment that an abortion is necessary to avert her death or that a seventy-two-hour delay will create serious risk of substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions.

E. Within ninety (90) days after this act is enacted, the State Board of Medical Licensure and Supervision shall cause to be published, in English and in each language which is the primary
language of two percent (2%) or more of the state's population, in print and on the website required to be developed and maintained under Section 1-738.11 of Title 63 of the Oklahoma Statutes, comprehensible materials designed to inform the female of the possibility of reversing the effects of a medication abortion that uses mifepristone, also known as RU-486 or Mifeprex, and information on resources that may be available to help her reverse its effects. The website shall include the Abortion Pill Reversal 24-hour Hotline number 877-558-0333 and the Abortion Pill Reversal website address https://www.abortionpillreversal.com.

F. Any person who knowingly or recklessly provides or induces or attempts to provide or induce an abortion in violation of this section shall be guilty of a felony. No penalty may be assessed against the female to whom the medication abortion is provided or induced or attempted to be provided or induced. No penalty or civil liability may be assessed for failure to comply with subsection C of this section unless the State Board of Medical Licensure and Supervision has made the information available on the website at the time the physician or the physician's agent is required to inform the female.

G. Any private office, freestanding outpatient clinic or other facility or clinic that fails to post a sign required in subsection B of this section in knowing, reckless or negligent violation of this act shall be assessed a fine of Ten Thousand Dollars
($10,000.00) by the State Board of Medical Licensure and Supervision. Each day on which a medication abortion that uses mifepristone, other than a medication abortion that is necessary to prevent the death of the pregnant female, is provided in any private office, freestanding outpatient clinic or other facility or clinic during which the required sign is not posted during a portion of business hours when patients or perspective patients are present is a separate violation.

H. 1. Any person upon whom an abortion has been performed without this section having been complied with, the father of the unborn child who was the subject of such an abortion, or, if the female had not attained the age of eighteen (18) years at the time of the medication abortion or has died as a result of the medication abortion, the grandparent of such an unborn child may maintain an action against the person who provided the medication abortion in knowing or reckless violation of this section for actual and punitive damages. Any person upon whom an abortion has been attempted without this section having been complied with may maintain an action against the person who attempted to provide the abortion in knowing or reckless violation of this section for actual and punitive damages. No damages may be awarded a plaintiff if the pregnancy resulted from the plaintiff's criminal conduct.

2. If judgment is rendered in favor of the plaintiff in any action described in this subsection, the court shall also render
judgment for a reasonable attorney's fee in favor of the plaintiff against the defendant. If judgment is rendered in favor of the defendant and the court finds that the plaintiff's suit was frivolous and brought in bad faith, the court shall also render judgment for a reasonable attorney's fee in favor of the defendant against the plaintiff.

I. In every civil or criminal proceeding or action brought under this section, the court shall rule whether the anonymity of any female to whom a medication abortion has been provided or attempted shall be preserved from public disclosure if she does not give her consent to such disclosure. The court, upon motion or sua sponte, shall make such a ruling and, upon determining that her anonymity should be preserved, shall issue orders to the parties, witnesses and counsel and shall direct the sealing of the record and exclusion of individuals from courtrooms or hearing rooms to the extent necessary to safeguard her identity from public disclosure. Each such order shall be accompanied by specific written findings explaining why the anonymity of the female should be preserved from public disclosure, why the order is essential to that end, how the order is narrowly tailored to serve that interest and why no reasonable less restrictive alternative exists. In the absence of written consent of the female to whom an abortion drug or drugs has been provided or attempted to be provided, anyone, other than a public official, who brings an action under subsection D of this
section shall do so under a pseudonym. This section may not be
construed to conceal the identity of the plaintiff or of witnesses
from the defendant.

J. If any one or more provision, section, subsection, sentence,
clause, phrase or word of this act or the application thereof to any
person or circumstance is found to be unconstitutional, the same is
hereby declared to be severable and the balance of this act shall
remain effective notwithstanding such unconstitutionality. The
Legislature hereby declares that it would have passed this act, and
each provision, section, subsection, sentence, clause, phrase or
word thereof, irrespective of the fact that any one or more
provision, section, subsection, sentence, clause, phrase or word be
declared unconstitutional.

SECTION 2. This act shall become effective November 1, 2019.
