2. The voter must mark the ballots in the manner hereinbefore provided in the presence of the absentee voting board, but in such a manner as to make it impossible for any person other than the voter to ascertain how said the ballots are marked. Insofar as is possible, the voting procedure shall be the same as if the voter were casting a vote in person at a precinct.

3. The voter shall then seal said the ballots in the plain opaque envelope and shall seal said the plain opaque envelope in the envelope bearing an affidavit. The voter must complete said the affidavit, and the signature of the voter on same must be witnessed by both members of the absentee voting board.
4. The envelope bearing an affidavit then must be sealed in the return envelope, which shall be returned by the absentee voting board to the secretary of the county election board on the same day said the affidavit was executed.

5. Ballots cast in said such manner shall be counted in the same manner as regular mail absentee ballots.

B. The voter may request the assistance of the absentee voting board members to mark a ballot, complete the affidavit or seal the envelopes as described in this section.

C. 1. An administrator or employee of a nursing facility or veterans center who attempts to coerce or influence the vote of a person residing in or confined to that facility shall be deemed to be in violation of Section 16-109 of this title.

2. An administrator or employee of a nursing facility or veterans center who prevents or attempts to prevent a person residing in or confined to that facility from voting pursuant to this section shall be deemed to be in violation of Section 16-113 of this title.

Section 14-115.1 A registered voter who becomes incapacitated after 5:00 p.m. on Tuesday preceding an election, the deadline for requesting an absentee ballot, as provided in Section 14-103 of this title, and is unable to vote in person at the appropriate precinct
on the day of the election may make a written request for an absentee ballot. The request shall be signed by the voter or signed by a witness at the voter's direction if the voter is unable to sign his or her name, and shall be transmitted to the secretary of the county election board. The person transmitting the request on behalf of the voter may be anyone of the voter's choosing who is at least sixteen (16) years of age; provided, the person is not employed by nor related within the third degree of consanguinity or affinity to any person whose name appears on the ballot. The person becomes the voter's agent for purposes of voting by absentee ballot. The voter's request must be accompanied by a sworn statement by a duly licensed physician. Expected or likely confinement for childbirth on election day is sufficient cause to entitle a voter to vote absentee pursuant to this section. The statement must attest to the fact that the voter is in fact unable to vote in person at the appropriate precinct on the day of the election because of a physical incapacity and that said the physical incapacity originated after 5:00 p.m. on Tuesday preceding an election the deadline for requesting an absentee ballot, as provided in Section 14-103 of this title. Upon receipt of the voter's request and accompanying sworn statement, the secretary of the county election board shall issue to the voter's agent the appropriate ballots and envelopes required for voting by incapacitated voters. The ballots must be returned by the agent to
the secretary of the county election board no later than 7:00 p.m. on the day of the election. No person may be the agent for more than one voter at any election. Upon return of the absentee ballots, the secretary of the county election board shall cause said ballots to be processed in the same manner as is prescribed for other absentee ballots.

SECTION 11. AMENDATORY 26 O.S. 2011, Section 14-123, as amended by Section 10, Chapter 200, O.S.L. 2013 (26 O.S. Supp. 2019, Section 14-123), is amended to read as follows:

Section 14-123. A. At 10 10:00 a.m. on Thursday preceding the election, or at such time thereafter as the secretary of the county election board may desire, the county election board may meet and publicly remove the outer envelopes from all absentee ballots then received, examine and remove properly executed affidavits and place the plain opaque envelopes in a ballot box, locked with three locks. The procedure shall be repeated until such time as all ballots have been received. Provided, such procedure may begin at an earlier date upon the written approval of the Secretary of the State Election Board.

B. 1. The county election board may designate one or more special absentee voting boards to conduct the removal of outer envelopes and examination of affidavits described in subsection A of this section. A special absentee voting board shall consist of two members, neither of whom shall be of the same political party.
Members of a special absentee voting board shall be designated by the county election board from a list provided by the secretary of the county election board. Members of a special absentee voting board shall meet the same eligibility requirements as a precinct judge or clerk and shall receive the same compensation as a nursing home absentee voting board.

2. The public shall have the right to be present when a special absentee voting board conducts the removal of outer envelopes and examination of affidavits, but these duties are not required to be performed during a public meeting of the county election board.

3. A special absentee voting board so designated shall organize the absentee ballot affidavits they have examined into three groups:

   a. those the special absentee voting board agrees are properly executed,
   b. those the special absentee voting board agrees are not properly executed, and
   c. those absentee ballot affidavits about which the special absentee voting board members do not agree.

   Each group shall be reported to the county election board at a public meeting of the board.

4. For absentee ballot affidavits that the special absentee voting board agrees are properly executed, upon approval of the county election board, the affidavits shall be removed and the plain opaque envelopes shall be eligible to be counted pursuant to law.
5. For absentee ballots that the special absentee voting board agrees are not properly executed pursuant to law, the county election board shall review the affidavits and make a determination as to whether the affidavits should be accepted or rejected pursuant to law.

6. For absentee ballot affidavits on which the special absentee voting board cannot agree about a properly executed affidavit, the county election board shall review the affidavits and make a determination as to whether the affidavits should be accepted or rejected pursuant to law.

C. When an examination of an absentee ballot affidavit is made to determine whether it has been properly executed, such determination shall be based only upon the requirements found in this title for the type of absentee ballot affidavit being examined. No person making such a determination shall substitute his or her own personal preference or judgment in place of the requirements provided by law.
