

1        3. "Lactation room" means a hygienic place, other than a  
2 bathroom, that:

- 3            a. is shielded from view,
- 4            b. is free from intrusion, and
- 5            c. contains a chair, a working surface and, if the public  
6            building is otherwise supplied with electricity, an  
7            electrical outlet.

8        B. The appropriate authority of a covered public building shall  
9 ensure that the building contains a lactation room that is made  
10 available for use by state employees to breast feed or express  
11 breast milk.

12        SECTION 2. This act shall become effective November 1, 2020.
