BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law not to be codified in the Oklahoma Statutes reads as follows:

The original or historical routing of State Highway 69 is part of the historic Jefferson Highway Association Route, which was one of the earliest automobile highways in the United States. The entire historic route, including the Oklahoma portion, has recently been reidentified by the reformed Jefferson Highway Association organization.

State Highway 69 from the Kansas border to the Texas border shall be designated as the “Historic Jefferson Highway Route”. The cost associated with signage required by this section shall be provided from private sources and shall include the cost of the initial erection of signs as well as the cost of potential replacement or reconstruction of signs. Upon receiving adequate funding from private sources, the Department of Transportation shall cause suitable permanent markers to be placed upon the highway bearing that name. The permanent markers shall be designed in consultation with the Jefferson Highway Association.

SECTION 3. This act shall become effective November 1, 2020.
