pursuant to Section 1-4-704 of Title 10A of the Oklahoma Statutes has been developed at any time prior to notifying the State Department of Education of the intent to participate in the Program and the IEP is in effect at the time the request for a scholarship is received by the State Department of Education and for students who have at least one incarcerated parent at the time the request for a scholarship is received by the State Department of Education.

Scholarships shall be awarded beginning with the 2010-2011 school year.

B. For purposes of this section, "prior school year in attendance" means that the student was enrolled in and reported by a school district for funding purposes during the preceding school year regardless of whether or not the student had an IEP at the time the student was counted for funding purposes. A student who is a child of a member of the United States Armed Forces who transfers to a school in this state from out of state or from a foreign country pursuant to a permanent change of station orders of

e. upon issuance of a scholarship warrant, the parent or legal guardian to whom the warrant is made shall restrictively endorse the warrant to the private school for deposit into the account of the private school. The parent or legal guardian may not designate any entity or individual associated with the private school as the attorney in fact for the parent or legal guardian to endorse a warrant. A parent or legal guardian who fails to comply with this subparagraph shall forfeit the scholarship.

2. A participant who fails to comply with this subsection forfeits the scholarship.
J. Provisions governing payment of a Lindsey Nicole Henry Scholarship shall be as follows:

1. The State Department of Education shall calculate the total cost of all scholarships for all eligible students in the state. The State Department of Education shall then reserve or retain from the total amount appropriated to the State Board of Education for State Aid purposes and any other revenue available for allocation for State Aid purposes the total cost for all scholarship payments;

2. The maximum scholarship granted for an eligible student with disabilities shall be a calculated amount equivalent to the total State Aid factors for the applicable school year multiplied by the grade and disability weights generated by that student for the applicable school year. The disability weights used in calculating the scholarship amount shall include all disability weights which correspond to the disabilities included in the multidisciplinary evaluation and eligibility group summary for the student at the time the request for a scholarship is made by the parent or legal guardian. The maximum scholarship amount shall be calculated by the State Board of Education for each year the student is participating in the scholarship program;

3. The amount of the scholarship shall be the amount calculated in paragraph 2 of this subsection or the amount of tuition and fees for the private school, whichever is less, minus up to two and one-half percent (2 1/2%) of the scholarship amount which may be
retained by the State Department of Education as a fee for administrative services rendered. The amount of any assessment fee required by the private school and the amount associated with providing services and therapies to address the disabilities of the student may be paid from the total amount of the scholarship. The amount of the scholarship shall be prorated to reflect the number of days remaining in the current school year, if the scholarship request is granted after the beginning of the school year;

4. The State Department of Education shall notify the private school of the amount of the scholarship within ten (10) days after receiving the request for a scholarship, when the total State Aid factors have been determined for the current fiscal year. The initial payment shall be made after the Department verifies admission acceptance and enrollment. Quarterly payments shall be made upon verification of continued enrollment and attendance at the private school. Payment shall be made by the Department with an individual warrant made payable to the parent or legal guardian of the student and mailed by the Department to the private school that the parent or legal guardian chooses. The parent or legal guardian shall restrictively endorse the warrant to the private school for deposit into the account of the private school;

5. The State Department of Education shall not be responsible for any additional costs associated with special education and related services incurred by the private school for the student
including the cost of teachers, equipment, material, and special costs associated with the special education class;

6. The State Department of Education shall establish a toll-free telephone number or website that provides parents or legal guardians and private schools with information about the program;

7. The State Department of Education shall require an annual, notarized, sworn compliance statement by participating private schools certifying compliance with state laws and shall retain all records received from a participating private school; and

8. The State Department of Education shall cross-check the list of participating scholarship students with the public school enrollments prior to each scholarship payment to avoid duplication.

K. 1. The State Superintendent of Public Instruction shall deny, suspend, or revoke the participation of a private school in the scholarship program if it is determined that the private school has failed to comply with the provisions of this section. However, in instances in which the noncompliance is correctable within a reasonable amount of time and in which the health, safety, or welfare of the students is not threatened, the Superintendent may issue a notice of noncompliance which shall provide the private school with a time frame within which to provide evidence of compliance prior to taking action to suspend or revoke participation in the scholarship program.
2. If the Superintendent intends to deny, suspend, or revoke the participation of a private school in the scholarship program, the Department shall notify the private school of the proposed action in writing by certified mail and regular mail to the private school's address of record with the Department. The Department shall also notify any parents or legal guardians of scholarship students attending the private school. The notification shall include the reasons for the proposed action and notice of the timelines and procedures set forth in this subsection.

3. The private school that is adversely affected by the proposed action shall have fifteen (15) days from receipt of the notice of proposed action to file with the Department a request for an administrative hearing proceeding pursuant to the Administrative Procedures Act.

4. Upon receipt of a request for a hearing, the State Board of Education shall commence a hearing within sixty (60) days after the receipt of the formal written request and enter an order within thirty (30) days after the hearing.

5. The Board may immediately suspend payment of scholarship funds if it is determined that there is probable cause to believe that there is an imminent threat to the health, safety, or welfare of the students or fraudulent activity on the part of the private school.
L. A parent or legal guardian who applies for a Lindsey Nicole Henry Scholarship for a public school student who has at least one incarcerated parent shall, in support of the application, provide documentation verifying a parent is incarcerated in the custody of the Department of Corrections, another out-of-state prison system, or the Federal Bureau of Prisons. The documentation shall include, but not be limited to, the active Department of Corrections inmate number for the incarcerated parent.

M. No liability shall arise on the part of the state, the State Board of Education, the State Department of Education or a school district based on the award or use of any scholarship provided through the Lindsey Nicole Henry Scholarships for Students with Disabilities Program.

M. N. The inclusion of private schools within options available to public school students in Oklahoma shall not expand the regulatory authority of the state or any school district to impose any additional regulation of private schools beyond those reasonably necessary to enforce the requirements expressly set forth in this section.

N. O. If the State Department of Education determines that a school district prior to the effective date of this act has failed to comply with the provisions of the Lindsey Nicole Henry Scholarships for Students with Disabilities Program Act and has failed to make full or partial scholarship payments for eligible
students, the Department shall have authority to reduce the amount
of State Aid allocated to the school district or require the school
district to make repayment to the Department of State Aid
allocations in an amount equal to the amount of scholarship payments
the school district failed to make. The Department shall make
payment to the parent or legal guardian in the amount the school
district failed to make in the manner as provided for in subsection
J of this section.

SECTION 2. This act shall become effective November 1, 2020.
