

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	HB2649
Version:	INT
Request Number:	7665
Author:	Pittman
Date:	2/15/2019
Impact:	\$1,378,744 state share

Research Analysis

HB2649, as introduced, authorizes the Oklahoma Health Care Authority to seek federal waivers or state plan amendments to restore dental and oral health coverage to SoonerCare-eligible pregnant women. These benefits will include exams, X-rays, periodontal treatment, and fillings. The measure states that these benefits will remain covered up to 60% after pregnancy.

Prepared By: Anna Rouw

Fiscal Analysis

The Oklahoma Health Care Authority estimates a total cost of \$3,951,690 with a state share of \$1,378,744 to cover dental and oral health services for SoonerCare-eligible pregnant women.
