

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB 3806
Version:	INT
Request Number:	10704
Author:	Rep. Hasenbeck
Date:	2/23/2020
Impact:	ODAFF: \$0 anticipated.

Research Analysis

HB 3806 creates in Title 2 the Oklahoma Meat Consumer Protection Act, which defines “livestock” and “meat,” and aims to ensure clarity and accuracy in labeling or advertising of meat and plant-based food items. The measure repeals sections in Title 63 that define and prohibit deceptive practices for labeling and selling meat or plant-derived meat alternatives.

Prepared By: Tricia Hines

Fiscal Analysis

After review, the measure will have \$0 anticipated fiscal impact to the Oklahoma Department of Agriculture (ODAFF) or to state revenues.

Prepared By: Jenny Mobley

Other Considerations

None.
