FY-21 Appropriation of \$1,000,039,368**

Research Analysis

HB 4155 directs the expenditure of certain appropriations to the Oklahoma Health Care Authority (OHCA). The bill:

- Directs OHCA to revise payment methodologies for hospital-based rural health care clinics to maximize federal funds,
- Directs OHCA to revise the Disproportionate Share Hospital program methodology, the Office of Management and Enterprise Services (OMES) to transfer monies between OHCA's federal and revolving funds,
- Directs OHCA to transfer funds from the Supplemental Hospital Offset Payment Program (SHOPP) Fund to the OHCA Disbursing Fund 340 to cover SHOPP,
- Directs OMES to transfer funds from the General Revenue Fund and Health Employee and Economy Improvement Act Fund to the OHCA Disbursing Fund, and allows for inter-fiscal year transfers,
- Authorizes OHCA to request early transfer of tax collections to the General Revenue Fund to allow for early allocation of OHCA's disbursing funds,
- Allows for appropriations authorized under SB 1922 to be budgeted for FY 2021 or FY 2022,
- Authorizes to OHCA to request that unanticipated federal funds be exempt from budgetary limitations, provided OHCA requests the exemption with OMES and the Legislature, and
- Authorizes OHCA to pay for its employees' professional expenses such as dues, licenses, professional membership, and continuing education classes.
