

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB 4157
Version:	CS
Request Number:	15062
Author:	Rep. Wallace
Date:	5/11/2020
Impact:	Mental Health and Substance Abuse

**FY-21 Budget Limits and Directives
Related to FY-21 Appropriation of \$334,915,240**

Research Analysis

HB 4157 directs the expenditure of certain appropriations to the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS). The bill:

- Allows for \$2,726,059 authorized under SB 1922 to be used for program growth,
- Allows for \$500,000 authorized under SB 1922 to be used for suicide prevention in the event of federal funding reductions,
- Allows for \$500,000 authorized under SB 1922 to be used to establish five pilot programs to provide incarcerated individuals in county jails to access treatment for opioid and alcohol dependence,
- Allows for appropriations authorized under SB 1922 to be budgeted for FY 2021 or FY 2022, and
- Authorizes ODMHSAS to request early transfer of tax collections to the General Revenue Fund to allow for early allocation to ODMHSAS's disbursing funds.

Prepared By: Anna Rouw

Fiscal Analysis

The measure provides certain directives of the expenditure of the FY-21 appropriations made in SB 1922, including program growth, suicide prevention and a pilot program for county jail inmate for drug treatment.
