

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	SB 1269
Version:	ENGR
Request Number:	
Author:	Rep. Sims
Date:	5/10/2020
Impact:	OWRB: Creates a Revolving Fund and a comprehensive state flood plan contingent on available funds.

Research Analysis

If funding is available, SB 1269 requires the Oklahoma Water Resources Board to create a state flood plan to serve as a guide for state and local flood control policy. To create the plan, the board will evaluate the condition of flood-control infrastructure, inventory ongoing and proposed flood control and mitigation projects, and analyze development in special flood hazard areas, among other requirements. The measure also creates the State Flood Resiliency Revolving Fund.
