

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 1017
Version:	INT
Request No.:	190
Author:	Sen. Quinn
Date:	02/04/2019

Bill Analysis

SB 1017 modifies “mandate” as it applies to the requirement for the Oklahoma Employees Health Insurance Plan to adopt any mandated health insurance coverage. A mandate is defined by the measure as required coverage for services specified by law, treatments, benefits, products, drugs, conditions, providers, copay structures or utilization of specific administrative services.
