**Committee Substitute (CS)**

The CS for SB 1610 modifies the criminal history search conducted by the Oklahoma State Bureau of Investigation when a person applies for a handgun license. The search is changed to a complete background check, excluding the state and a Federal Bureau of Investigation fingerprint searches. The check must include an Immigration Alien Query (IAQ) for non-United States citizens. The measure requires non-United States citizens to declare their Alien or Admission number to apply for a handgun license.
