

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 801
Version:	FS4
Request No.:	3841
Author:	Sen. Rosino
Date:	02/12/2020

Floor Substitute (FS)

The FS for SB 801 modifies the authority of Certified Registered Nurse Anesthetists to administer anesthesia. The measure specifies that the CRNA will administer the drug in collaboration with, instead of under the supervision of, a physician.

The FS for SB 801 defines “collaboration” as it pertains to a CRNA administering anesthesia to a patient. Collaboration refers to a cooperative working relationship between a Certified Registered Nurse Anesthetist and the allopathic or osteopathic physician, podiatrist, or dentist.
