Fiscal Analysis

The measure reduces the nominal Oklahoma individual income tax rates by one-quarter of one percent (0.25%), effective in tax year 2023. The reduction will establish the top marginal rate at 4.50 percent from the current 4.75 percent. Each intermediate rate will also be reduced by 0.25%.

Microsimulation model analysis indicates the impact to income tax revenue will approach \$88,741,000 in FY-23, \$226,549,000 in FY-24 and \$237,976,000 in FY-25
